Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Kiran Vyapar Limited

1. We have reviewed the accompanying statement of standalone unaudited financial results ('the Statement') of Kiran Vyapar Limited ('the Company') for the quarter ended 30 September 2021 and the year to date results for the period 1 April 2021 to 30 September 2021, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
2. The Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

The statutory auditors of the Company have carried out a limited review of the above results.
- 2 The standalone unaudited financial results of the Company has been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended).
- 3 Consequent to the outbreak of the COVID-19 pandemic, the Indian Government announced a lockdown in March 2020. Subsequently, the national lockdown was lifted by the Government, but regional lockdowns continue to be implemented in areas with a significant number of COVID-19 cases. The impact of COVID-19, including changes in customer behavior and pandemic fears, as well as restriction of business and individual activities led to significant volatility in global and Indian financial markets and a significant decrease in global and local economic activities. The extent to which COVID-19 pandemic, including the current "second wave" that has significantly increased the number of cases in India, will continue to impact the Company's performance and will depend on ongoing as well as future developments which are highly uncertain, including, among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by us.

The Company has recognized provisions towards its loan assets and estimated fair value of investments as on 30 September 2021 based on the information available at this point of time including economic forecasts. The Company believes that it has considered all the possible impact of the known events arising out of COVID-19 pandemic in the preparation of financial results. However, the impact assessment of COVID-19 is a continuing process given its nature and duration. The Company will continue to monitor any material changes to future economic condition.

Based on the current assessment of the potential impact of COVID-19 on the Company, management is of the view that the Company is well capitalised with low leverage, widely diversified in term of its lending and investment activities and has adequate liquidity to serve its obligations, sustain its operations and also look at appropriate investment/ lending opportunities.
- 4 During the quarter, the Company has disposed 1,450,000 equity shares of ₹ 10 each of Navjyoti Commodity Services Private Limited which has resulted in its discontinuation as an associate subsequent to sale.
- 5 During the quarter, the Company has disposed 209,055 preference shares of ₹ 100 each of Satyawatche Greeneries Private Limited which has resulted in its discontinuation as a subsidiary subsequent to sale.
- 6 The Company is engaged primarily in the business of financing and investment and as such not separate information is required to be furnished in terms of Ind AS 108 - Operating Segment.
- 7 The review report issued in accordance with Regulation 33 are also available on the website of the Company viz. www.inbgroup.com.

Notes to the consolidated unaudited financial results:

- 1 The above consolidated unaudited financial results have been reviewed by the Audit Committee and approved by the Board of Directors of Kiran Vyapar Limited ('the Parent Company') at their respective meetings held on 12 November 2021. The Statutory Auditors of the Company have carried out a limited review of the above results.
- 2 The consolidated unaudited financial results of the Parent Company, its subsidiaries and its associates (collectively referred to as 'the Group') have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016.
- 3 Consequent to the outbreak of the COVID-19 pandemic, the Indian Government announced a lockdown in March 2020. Subsequently, the national lockdown was lifted by the Government, but regional lockdowns continue to be implemented in areas with a significant number of COVID-19 cases. The impact of COVID-19, including changes in customer behavior and pandemic fears, as well as restriction of business and individual activities led to significant volatility in global and Indian financial markets and a significant decrease in global and local economic activities. The extent to which COVID-19 pandemic, including the current "second wave" that has significantly increased the number of cases in India, will continue to impact the Group's performance and will depend on ongoing as well as future developments which are highly uncertain, including, among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by us.

The Group has recognized provisions towards its loan assets and estimated fair value of investments as on 30 September 2021 based on the information available at this point of time including economic forecasts. The Group believes that it has considered all the possible impact of the known events arising out of COVID-19 pandemic in the preparation of financial results. However, the impact assessment of COVID-19 is a continuing process given its nature and duration. The Group will continue to monitor any material changes to future economic condition.

Based on the current assessment of the potential impact of COVID-19 on the Group, management is of the view that the Group is well capitalized with low leverage, widely diversified in terms of its lending and investment activities and has adequate liquidity to service its obligations, sustain its operations and also look at appropriate investment/lending opportunities.

- 4 During the quarter, the Parent Company has disposed 1,450,000 equity shares of ₹ 10 each of Navjyoti Commodity Services Private Limited which has resulted in its discontinuation as an associate subsequent to sale. The accounting for discontinuing the use of equity method has been done in accordance with Ind AS 28 in these consolidated unaudited financial results.
- 5 During the quarter, the Parent Company has disposed 209,055 preference shares of ₹100 each of Satyawatche Greeneries Private Limited which has resulted in its discontinuation as a subsidiary subsequent to sale. The accounting for loss of control in subsidiary has been done in accordance with Ind AS 110 in these consolidated unaudited financial results.
- 6 (i) On consolidated basis, the Group has identified two segments viz. (a) Financing and Investment and (b) Trading; and disclosed these as operating segments. These segments have been identified in accordance with Ind AS 108, 'Operating Segments'.
(ii) Segment revenue, results and other information includes the respective amounts identifiable under each of these segments allocated on a reasonable basis. The Items/ Information which relate to the Group as a whole and cannot be directly identified with any particular operating segment have been shown separately as unallocable.
