Notice

Notice is hereby given that the 77th (Seventy Seventh) Annual General Meeting of the Members of PLACID LIMITED will be held at the Registered office of the Company at 7, Munshi Premchand Sarani, Hastings, Kolkata - 700022 on Saturday, the 30th day of September 2023 at 11:30 A.M to transact the following businesses:

ORDINARY BUSINESS:

1. To receive, consider and adopt:

- a. The Annual Audited Standalone Financial Statements of the Company for the financial year ended 31st March 2023 including the Audited Balance Sheet as at 31st March, 2023 and Statement of Profit & Loss for the year ended on that date and the Reports of the Board of Directors and Auditors thereon; and
- b. The Annual Audited Consolidated Financial Statements of the Company for the financial year ended 31st March 2023 including the Audited Balance Sheet as at 31st March, 2023 and Statement of Profit & Loss for the year ended on that date and the Report of the Auditors thereon.

2. To appoint a Director in place of Mr. Ashwini Kumar Singh (DIN: 00012256), who retires by rotation at this Annual General Meeting and being eligible, offers himself for re-appointment.

SPECIAL BUSINESS:

3. Appointment of Mr. Amit Mehta (DIN: 01197047) as a Director (Category Professional, Non-Executive) of the Company.

To consider and, if thought fit, to pass with or without modification, the following resolution as an **ORDINARY RESOLUTION**:

“RESOLVED THAT pursuant to the provisions of Sections 152, 161 and any other applicable provisions of the Companies Act, 2013 (“Act”) and the Companies (Appointment and Qualifications of Directors) Rules, 2014 (including any statutory modification(s) or re-enactment thereof for the time being in force), applicable clauses of the Articles of Association and Policies of the Company, other applicable laws or such other approvals as may be required, based on the recommendation of Nomination & Remuneration Committee, Mr. Amit Mehta [DIN: 01197047], who was appointed as an Additional Director (Category- Professional , Non-Executive) pursuant to Section 161 of the Companies Act, 2013, by the Board of Directors of the Company with effect from 16th January, 2023 and in respect of whom the Company has received a notice in writing under section 160 of the Companies Act, 2013 from a member proposing his candidature for the office of Director and who holds office upto the date of ensuing Annual General Meeting, be and is hereby appointed as a Director (Category Professional , Non-Executive) on the Board of the Company , whose office shall be liable to retire by rotation.

RESOLVED FURTHER THAT any of the Directors or Company Secretary of the Company be and is hereby authorised to file forms with Registrar of Companies and to do all such acts, deed and things as may be necessary to give effect to the resolution.”

4. Renewal of previous approval of issuance of Non-Convertible Debentures on Private Placement basis

To consider and, if thought fit, to pass with or without modification, the following resolution as a **SPECIAL RESOLUTION**:

“RESOLVED THAT pursuant to the provisions of Sections 42, 71, 180 (1) (c) and other applicable provisions, if any, of the Companies Act, 2013 read with the Companies (Prospectus and Allotment of Securities) Rules, 2014 and the Companies (Share Capital and Debentures) Rules, 2014 and subject to all the applicable laws, regulations, directions, circulars, notifications, clarifications, prescribed by RBI or Government of India, from time to time, including but not limited to RBI Master Directions on Non-Banking Financial Company – Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force) and subject to the provisions of the Articles of Association of the Company, approval of the members be and is hereby accorded to the Board of Directors of the Company to offer or invite subscriptions for listed/unlisted, secured/ unsecured redeemable

Notice

non-convertible debentures (NCDs), in one or more series/ tranches, of the aggregate nominal value up to Rs. 300 crores (Rupees Three Hundred Crores Only), on private placement basis, from such persons and on such terms and conditions as the Board of Directors of the Company may, from time to time, determine and consider proper and most beneficial to the Company including, without limitation, as to when the said debentures are to be issued, the face value of debentures to be issued, the consideration for the issue, mode of payment, coupon rate, redemption period, utilization of the issue proceeds and all matters connected therewith or incidental thereto and that the amount that shall be raised as aforesaid shall be within the overall borrowing limits of the Company as may be approved by the Members from time-to-time.

RESOLVED FURTHER THAT the Board of Directors of the Company be and is hereby authorized to do all acts and take all such steps as may be necessary, proper or expedient to give effect to this resolution and for matters connected therewith or incidental thereto.”

5. Reclassification of certain members of Promoter & Promoter Group to Public Category

To consider and, if thought fit, to pass with or without modification, the following resolution as a **SPECIAL RESOLUTION**:

“**RESOLVED THAT** pursuant to the applicable provisions of section of the Companies Act, 2013 and allied rules thereof and other applicable provisions, if any and such other authorities as may be required and pursuant to other laws and regulations, as may be applicable from time to time (including any statutory modifications or re-enactments thereof for the time being in force), consent of the members of the Company be and is hereby accorded for reclassification of the following member of the Promoter and Promoter Group (hereinafter referred to as the “Outgoing Promoter”), holding a total of 4 (Four) equity shares of the Company constituting 0.001% of total paid-up equity share capital of the Company, from the category of “Promoter and Promoter Group” to “Public” category :-

SL No.	Name of Shareholders	Numbers of equity	% of shareholding
1.	Ashwini Kumar Singh	4	0.001%

RESOLVED FURTHER THAT the Outgoing Promoter, presently classified as member of the “Promoter and Promoter Group”, who is seeking reclassification, holds minimal shares, i.e., totaling only 4 (Four) equity shares constituting 0.001% of the total paid up equity share capital of the Company and he is not a “willful defaulter” as per the Reserve Bank of India Guidelines or a fugitive economic offender.

RESOLVED FURTHER THAT any one of the Directors of the Company and/or Company Secretary of the Company be and are hereby jointly and/or severally authorized to perform and execute all such acts, deeds, matters and things including but not limited to making intimation/filings to the concerned authorities, and to execute all other documents required to be filed in the above connection and to settle all such questions, difficulties or doubts whatsoever which may arise and amend such details and to represent before such authorities as may be required and to take all such steps and decisions in this regard to give full effect to the aforesaid resolutions.”

By order of the Board of Directors
For Placid Limited

Members are requested to support this Green Initiative by registering/ updating their e-mail addresses, in respect of shares held in dematerialized form with Depository Participants and in respect of shares held in physical form with the Company's Registrar and Share Transfer Agent, i.e. M/s. Maheshwari Datamatics Private Limited, 23, R. N. Mukherjee Road, Kolkata – 700 001 at mdpldc@yahoo.com.
14. Members holding Shares of the Company in physical form through multiple folios in identical names or joint accounts in the same order of names are requested to consolidate their shareholding into single folio, by sending their original share certificates along with a request letter to consolidate their shareholding into one single folio, to the Registrar & Share Transfer Agent of the Company.
15. The Route Map showing direction to reach the venue of the meeting is annexed.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Pursuant to Section 102 of the Companies Act, 2013 ('the Act'), the following Explanatory Statement sets out all material facts relating to the businesses mentioned under Item No. 3, 4 and 5 of the accompanying Notice dated 27th July 2023.

Resolution No. 3

Considering the scale of operation of the Company with an objective to facilitate proper Board deliberations and also keeping in view to the potential size of business operations, the Board of Directors of the Company at their meeting held on 16th January, 2023, pursuant to the provisions of Section 161 of the Companies Act, 2013 and the Articles of Association of the Company and on the recommendation of Nomination & Remuneration Committee at their meeting held on 16th January, 2023, had appointed Mr. Amit Mehta as an Additional Director (Non Executive, Professional) of the Company. w.e.f. 16th January, 2023 subject to the approval of the shareholders of the Company.

Mr. Amit Mehta holds office as an Additional Director (Non Executive, Professional) till the ensuing Annual General Meeting and is eligible for appointment as a director. The Company has received a Notice from a Member in writing under Section 160(1) of the Act proposing his candidature for the office of Director.

Mr. Amit Mehta is a qualified Chartered Accountant, M.Com besides being a member of various professional bodies like the Associate of Certified Treasury Managers (USA), Association of Corporate Advisers and Secretaries, Institute of Internal Auditors (USA). He is alumni of the Harvard Business School, Boston and St. Xavier's College, Kolkata. He has earlier worked at the Tata Group. Mr. Mehta is having rich experience in the Finance, Capital Market and NBFC Business. Mr. Mehta's qualifications and the rich experience over a decade in the abovementioned areas meets the skills and capabilities required for the role of Director of the Company.

The Company has received the following declaration from Mr. Amit Mehta – (i) Consent in writing to act as Director in Form DIR-2 pursuant to Rule 8 of the Companies (Appointment & Qualification of Directors) Rules, 2014. (ii) Intimation in Form DIR-8 pursuant to Rule 14 of the Companies (Appointment & Qualification of Directors) Rules, 2014 to the effect that he is not disqualified in accordance with sub-section (2) of Section 164 of the Companies Act, 2013 nor debarred from holding the office of director by virtue of any other such authority and has given consent to act as a Director of the Company.

A copy of the draft appointment letter, setting out his terms and conditions of appointment would be available for inspection, without any fees, by the members at the company's registered office during normal hours on working days upto the date of Annual General Meeting and also at the meeting.

The Board considers that his association would be of immense benefit to the Company and it is desirable to avail services of Mr. Amit Mehta as a Director. Accordingly, a brief resume of Mr. Amit Mehta, nature of his expertise in specific functional areas and names of companies in which he holds directorships and memberships/chairmanships of Board Committees, shareholding and relationships between Directors inter-se, etc., as required under Secretarial Standard - 2, are given in an annexure, annexed hereto and marked as "Annexure-A".

Consequently, the Board of Directors, on recommendation of Nomination & Remuneration Committee, recommends for approval of the shareholders the appointment of Mr. Amit Mehta, as a Director (NonExecutive, Professional,) of the Company on such terms that he shall continue to hold office as rotational Director.

Notice

Other than Mr. Amit Mehta and his relatives, to the extent of their shareholding interest, if any, none of the Directors and Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolution as set out in item no. 3 of the accompanying Notice.

The Board recommends the resolution set forth in item no. 3, for the approval of members as an Ordinary Resolution.

Resolution No. 4

The Board may, at an appropriate time, consider offering or inviting subscriptions for listed / unlisted, secured / unsecured redeemable non-convertible debentures, in one or more series / tranches, on private placement, issuable / redeemable at par, in order to augment long-term resources for financing inter alia the ongoing capital expenditure and for general corporate purposes.

Section 71 of the Act which deals with the issuance of debentures read with Section 42 of the Act which deals with the offer or invitation for subscription of securities of a company on private placement and Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 provide that a company which intends to make a private placement of its non-convertible debentures, shall, before making an offer or invitation for subscription, obtain approval of its shareholders by means of a special resolution. It shall be sufficient if the company passes a special resolution only once in a year for all the offers or invitations for such non-convertible debentures during the year.

The Board of Directors at their meeting held on 15th June 2020 had approved the issuance of listed/unlisted, secured/unsecured, non-convertible debentures on a private placement basis in tranches/series which was approved by shareholders vide Special Resolution at the 74th Annual General Meeting held on 29th December, 2020.

Further the Board of Directors at their meeting held on 9th August, 2021 had approved the renewal of the said issuance of listed/unlisted, secured/unsecured, non-convertible debentures on a private placement basis in tranches/series which was approved by shareholders vide Special Resolution at the 75th Annual General Meeting held on 30th September, 2021.

Further the Board of Directors at their meeting held on 5th August, 2022 had approved the renewal of the said issuance of listed/unlisted, secured/unsecured, non-convertible debentures on a private placement basis in tranches/series which was approved by shareholders vide Special Resolution at the 76th Annual General Meeting held on 30th September, 2022.

However, no NCDs could have been issued during the FY 2022-23. As per the provisions of section 42 of Companies Act, 2013 and allied rules thereof the said limits approved vide Special Resolution passed at the Last Annual General Meeting will get expired on 29th September, 2023.

Keeping in view the above, consent of the members is sought for passing the Special Resolution as set out at Item No. 4 of the Notice. This enabling resolution authorises the Board of Directors of the Company to offer or invite subscription for redeemable non-convertible debentures, as may be required by the Company, from time to time and as set out herein, for a period of one year from the date of passing this resolution.

None of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the proposed resolution, set out at Item No. 4 of the Notice.

The Board recommends the Special Resolution set out at Item No. 4 of the Notice for approval by the members.

Resolution No. 5

In terms of applicable provisions of section of Companies Act, 2013 and allied rules thereof the Company has received application from the following member of the Promoter and Promoter Group holding a total of 4 (Four) equity shares of the Company constituting 0.001% of total paid-up equity share capital of the Company, requesting the Board of Directors to reclassify him from the category of "Promoter and Promoter Group" to "Public" category (hereinafter referred to as the "Outgoing Promoter"):

SL No.	Name of Shareholders	Numbers of equity	% of shareholding
1.	Ashwini Kumar Singh	4	0.001%

The request letter received from Outgoing Promoter was placed before the Board of Directors at its meeting held on 27th July 2023. The Board noted that the Outgoing Promoter seeking reclassification 1) does not hold more than 10%

Notice

of total voting rights in the Company. 2) is not a “willful defaulter” as per the Reserve Bank of India Guidelines 3) is not a fugitive economic offender.

The Board of Directors of the Company considered the facts stated above and accepted the Request for reclassification of Outgoing Promoter from the “Promoter and Promoter Group” Category to the “Public” Category”, subject to the consent of the shareholders of the Company.

The outgoing promoter, upon re-classification to the ‘public’ category, shall not (i) hold more than 10% of the total voting rights in the Company; (ii) has any special rights with respect to the entity through formal or informal arrangements including through any shareholder agreements.

Other than Mr. Ashwini Kumar Singh and his relative, to the extent of their shareholding interest, if any, none of Directors or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the resolution.

The Board recommends the Special Resolution set out at Item No. 5 of the Notice for approval by the members..

Annexure to the Directors' Report

Annexure-A

NOMINATION & REMUNERATION POLICY

1. Preamble

1.1 Sub-section (3) of Section 178 of the Companies Act, 2013 states that the Nomination and Remuneration Committee shall formulate the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration for the directors, key managerial personnel and other employees.

1.2 Section 178 of the Companies Act, 2013 has been made effective from April 1, 2014 by the Central Government by notification no. S.O. 902(E) issued on March 26, 2014. Therefore this Nomination and Remuneration Policy ("the Policy") has been framed in compliance with the provisions of the Act and Rules made under the Act.

The Policy provides a framework for remuneration to the members of the Board of Directors ("Board"), Key Managerial Personnel ("KMP") and the Senior Management Personnel ("SMP") of the Company (collectively referred to as "Executives").

The expression "senior management" means officers/personnel of Company who are members of its core management team excluding directors comprising all members of management one level below the chief executive officer/managing director/whole time director/manager (including chief executive officer/manager, in case they are not part of the board) and shall specifically include company secretary and chief financial officer.

Further, the term "Applicable Law" includes any statute, law, regulations, ordinance, rule, judgment, order, decree, bye-law, clearance, directive, guideline, policy, requirement, notifications and clarifications or other governmental instruction and/or mandatory standards as may be applicable to the Company from time to time.

All the other terms used in the Policy shall have the same meaning as assigned to them under the Applicable Law.

1.3 The Members of the Nomination and Remuneration Committee ("the Committee or NRC") shall be appointed by the Board and shall comprise three or more non-executive directors out of which not less than one-half shall be independent directors. Any fraction in the one-half shall be rounded off to one.

1.4 This Policy will be called "PLACID Nomination & Remuneration Policy" and referred to as the Policy".

1.5 The Policy will be reviewed at such intervals as the Nomination and Remuneration Committee will deem fit.

2. Objectives

2.1 The objectives of the Policy are as follows:

2.1.1 To set criteria for determining qualifications, positive attributes and independence of a director, and remuneration of the Executives.

2.1.2 To enable the Company to attract, retain and motivate highly qualified members for the Board and other executive level to run the Company successfully.

2.1.3 To enable the Company to provide a well-balanced and performance-related compensation package, taking into account shareholder interests, industry standards and relevant Indian corporate regulations.

2.1.4 To ensure that the interests of Board members & senior executives are aligned with the business strategy and risk tolerance, objectives, values and long-term interests of the company and will be consistent with the "pay-for-performance" principle.

2.1.5 To ensure that remuneration to directors, KMP and senior management employees of the Company involves a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

3. Principles of remuneration

3.1 Support for Strategic Objectives: Remuneration and reward frameworks and decisions shall be developed in a manner that is consistent with, and supports and reinforces the achievement of the Company's vision and strategy.

3.2 Transparency: The process of remuneration management shall be transparent, conducted in good faith and in accordance with appropriate levels of confidentiality.

Annexure to the Directors' Report

3.3 Internal equity: The Company shall remunerate the Executives in terms of their roles within the organisation. Positions shall be formally evaluated to determine their relative weight in relation to other positions within the Company.

3.4 External equity: The Company strives to pay an equitable remuneration, capable of attracting and retaining high quality personnel. Therefore the Company will remain logically mindful of the ongoing need to attract and retain high quality people, and the influence of external remuneration pressures. Reference to external market norms will be made using appropriate market sources, including relevant and comparative survey data, as determined to have meaning to the Company's remuneration practices at that time.

3.5 Flexibility: Remuneration and reward shall be sufficiently flexible to meet both the needs of individuals and those of the Company whilst complying with relevant tax and other laws.

3.6 Performance-Driven Remuneration: The Company shall establish a culture of performance-driven remuneration through the implementation of the Performance Incentive System.

3.7 Affordability and Sustainability: The Company shall ensure that remuneration is affordable on a sustainable basis.

4. Terms of Reference and Role of the Committee

4.1 The Terms of Reference and Role of the Committee as set by the Board of Directors are as under:

4.1.1 Evaluate the current composition and organization of the Board and its committees in light of requirements established by any Regulatory Body or any other applicable statute, rule or regulation which the Committee deems relevant and to make recommendations to the Board with respect to the appointment, re-appointment and resignation of Independent, Executive and Non-Executive Directors of the Company;

4.1.2 Review the composition and size of the Board in order to ensure that the Board is comprised of members reflecting the proper expertise, skills, attributes and personal and professional backgrounds for service as a Director of the Company, as determined by the Committee;

4.1.3 Review and recommend to the Board an appropriate course of action upon the resignation of current Board members, or any planned expansion of the Board, and review the qualifications, experience and fitness for service on the Board of any potential new members of the Board;

4.1.4 Review all stockholder proposals submitted to the Company (including any proposal relating to the nomination of a member of the Board) and the timeliness of the submission thereof and recommend to the Board appropriate action on each such proposal;

4.1.5 Ensure "fit and proper" status of existing/proposed Directors of the Company in accordance with RBI Circular on Corporate Governance, issued from time to time;

4.1.6 Formulate, administer and supervise the Company's Stock Option schemes, if any, in accordance with relevant laws;

4.1.7 Ensure that the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the Company successfully;

4.1.8 Ensure that relationship of remuneration to performance is clear and meets appropriate performance benchmarks;

4.1.9 Ensure that remuneration to Directors, Key Managerial Personnel (KMPs) and senior management involves a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals;

4.1.10 Formulate the criteria for determining qualifications, positive attributes and independence of a Director and recommend to the Board a policy, relating to the remuneration for the Directors, Key Managerial Personnel (KMPs) and other employees of the Company;

4.1.11 Formulate the criteria for evaluation of Independent Directors and the Board;

4.1.12 Devise a policy on Board diversity;

4.1.13 Identify the persons who are qualified to become Directors and who may be appointed in senior management in accordance with the criteria laid down, recommend to the Board their appointment and removal;

4.1.14 Specify the manner for effective evaluation of performance of Board, its committees and individual directors to be carried out either by the Board, by the Committee or by an independent external agency and review its implementation and compliance;

Annexure to the Directors' Report

4.1.15 Recommend to the Board of Directors of the Company, all remuneration, in whatever form, payable to the senior management;

4.1.16 Deal with such matters as may be referred to by the Board of Directors from time to time;

4.2 The Committee shall:

4.2.1 Review the ongoing appropriateness and relevance of the Policy;

4.2.2 Ensure that all provisions regarding disclosure of remuneration, including pensions, leave encashment, gratuity, etc. are fulfilled;

4.2.3 Obtain reliable, up-to-date information about remuneration in other companies;

4.2.4 Ensure that no director or executive is involved in any decisions as to their own remuneration.

4.3 Without prejudice to the generality of the terms of reference as set out above, the Committee shall:

4.3.1 Operate the Company's share option schemes (if any) or other incentives schemes (if any) as they apply to. It shall recommend to the Board the total aggregate amount of any grants to the Executives including individual limit and make amendments to the terms of such schemes, as the case may be;

4.3.2 Liaise with the trustee / custodian of any employee share scheme, which is created by the Company for the benefit of employees or Directors.

4.3.3 Review the terms of Executives service contracts from time to time.

5. Procedure for selection and appointment of the Board Members

5.1 Board membership criteria:

5.1.1 The Committee, along with the Board, shall review on an annual basis, appropriate skills, characteristics and experience required of a Board Member. The objective is to have a Board with diverse background and experience in business, government, academics, technology and in areas that are relevant for the Company's global operations.

5.1.2 In evaluating the suitability of individual Board members, the Committee shall take into account many factors, including general understanding of the Company's business dynamics, global business and social perspective, educational and professional background and personal achievements. Directors must possess experience at policy-making and operational levels in large organizations with significant international activities that will indicate their ability to make meaningful contributions to the Board's discussion and decision making in the array of complex issues facing the Company.

5.1.3 Director should possess the highest personal and professional ethics, integrity and values. They should be able to balance the legitimate interest and concerns of all the Company's stakeholders in arriving at decisions, rather than advancing the interests of a particular constituency.

5.1.4 In addition, Directors must be willing to devote sufficient time and energy in carrying out their duties and responsibilities effectively. They must have the aptitude to critically evaluate management's working as part of a team in an environment of collegiality and trust.

5.1.5 The Committee shall evaluate each Director with the objective of having a group that best enables the success of the Company's business.

5.2 Selection of Board Members/ extending invitation to a potential director to join the Board:

5.2.1 One of the roles of the Committee is to periodically identify competency gaps in the Board, evaluate potential candidates as per the criteria laid above, ascertain their availability and make suitable recommendations to the Board. The objective is to ensure that the Company's Board is appropriate at all points of time to be able to take decisions commensurate with the size and scale of operations of the Company. The Committee also identifies suitable candidates in the event of a vacancy being created on the Board on account of retirement, resignation or demise of an existing Board member. Based on the recommendations of the Committee, the Board evaluates the candidate(s) and decides on the selection of the appropriate member.

5.2.2 The Board then shall make an invitation (verbal / written) to the new member to join the Board as a Director. On acceptance of the same, the new Director may be appointed by the Board.

Annexure to the Directors' Report

6. Procedure for selection and nomination of KMP and SMPs

The Chairman and the Managing Director (MD) along with the Head of Human Resource (HR) Department, identify and appoint suitable candidates for appointing them as KMPs (excluding Executive Directors) or SMPs of the Company on the basis of their academic, professional qualifications, relevant work experience, skill and other capabilities suitable to the position of concerning KMP or SMP.

Further, in case of KMP (excluding Executive Director) appointment, approval of the Board of Directors / concerned Committee shall be taken in accordance with provisions of relevant Act, statutes, regulations etc. existing as on that date. The appointment and/or removal of KMPs shall be placed before the NRC and / or Board of Directors at regular intervals.

Further, in case of appointment of SMPs (excluding KMPs), the appointment and all remuneration, in whatever form as approved by the MD and Head of the HR Department shall be placed before the NRC at regular intervals.

7. Compensation Structure

7.1 Remuneration to Non-Executive Directors:

The Non-executive Directors of the Company will be paid remuneration by way of fees only for attending the meetings of the Board of Directors and its Committees. The fees paid to the Non-executive Directors for attending meetings of Board of Directors shall be such as may be determined by the Board within the limit prescribed under the Companies Act, 2013 which is currently Rs. 100,000/- per meeting i.e. Board or Committee. Beside the sitting fees, they are also entitled to reimbursement of expenses and payment of commission on net profits.

The fees of the Non-executive Directors for attending meetings of Board of Directors and the Committees thereof may be modified from time to time only with the approval of the Board in due compliance of the provisions of Companies Act, 2013 and amended from time to time.

An Independent Director shall not be entitled to any stock option and may receive remuneration only by way of fees and reimbursement of expenses for participation in meetings of the Board or Committee thereof and profit related commission, as may be permissible by the Applicable law.

If any such director draws or receives, directly or indirectly, by way of fee/remuneration any such sums in excess of the limit as prescribed or without the prior sanction, where it is required, under the Applicable law such remuneration shall be refunded to the Company and until such sum is refunded, hold it in trust for the Company.

7.2 Remuneration to Executive Directors, KMPs & SMPs

The Company has a credible and transparent framework in determining and accounting for the remuneration of the Managing Director / Whole Time Directors (MD/WTDs), KMPs and SMPs. Their remuneration shall be governed by the external competitive environment, track record, potential, individual performance and performance of the company as well as industry standards. The remuneration determined for MD/WTDs shall be approved by the Board of Directors at a meeting which shall be subject to the approval of members at the next general meeting of the Company and by the Central Government in case such appointment is at variance to the conditions specified in Schedule V of the Companies Act, 2013. As a policy, the Executive Directors are not paid any fees for attending the Board and/or Committee meetings.

If any Director draws or receives, directly or indirectly, by way of remuneration any such sums in excess of the limit as prescribed or without the prior sanction, where it is required, under the Applicable law, such remuneration shall be refunded to the Company and until such sum is refunded, hold it in trust for the Company.

A Director who is in receipt of any commission from the Company and who is a managing or whole-time director of the Company may receive any remuneration or commission from any holding or subsidiary company of the Company, subject to its disclosure by the Company in the Board's report.

The remuneration (including revision) of KMPs (excluding Executive Directors) and SMPs on the recommendation of the Committee, shall be determined by Chairman along with the MD and Head of Human Resource (HR) Department after taking into consideration the academic, professional qualifications, work experience, skill, other capabilities and industry standards.

Further, the remuneration (including revision) of KMPs (excluding Executive Directors) shall also be subject to approval of the Board of Directors/concerned Committees, if stipulated by any Act, statute, regulations etc.

8. Powers of the Committee and Meetings of the Committee

The Committee shall have inter-alia the following powers:

Annexure to the Directors' Report

8.1 Conduct studies or authorise studies of issues within the scope of the Committee with full access to all books, records, facilities and personnel of the Company;

8.2 Retain or seek advice of consultants and experts for performance of their role under this Policy and the costs relating thereto shall be borne by the Company;

8.3 Delegate its powers to any Member of the Committee or any KMP of the Company or form sub-committees to perform any of its functions or role under this Policy.

The Committee shall meet as per the requirements of law or at such larger frequency as may be required.

9. Approval and publication

9.1 This Policy as framed by the Committee shall be recommended to the Board of Directors for its approval.

9.2 The policy shall be placed on the website of the Company.

9.3 The Policy along with the web address of the same shall form part of Director's Report as required under Section 178(4) of the Companies Act, 2013.

10. Supplementary provisions

10.1 This Policy shall formally be implemented from the date on which it is adopted by the Board of Directors.

10.2 Any matters not provided for in this Policy shall be handled in accordance with relevant laws and regulations, the Company's Articles of Association.

10.3 The right to interpret this Policy vests in the Board of Directors of the Company.

Annexure to the Directors' Report

ANNEXURE 'B'

[Pursuant to clause (o) of sub-section (3) of section 134 of the Companies Act, 2013 and Rule 8 of the Companies (Corporate Social Responsibility) Rules, 2014]

1. A brief outline of the Company's CSR policy :

In accordance with the provisions of the Companies Act, 2013, read with Companies (CSR Policy) Rules, 2014, as amended read with the Notification issued by the Ministry of Corporate Affairs dated the 22nd of January, 2021 and the rules made thereunder, the Company has framed its CSR Policy to carry out its CSR activities in accordance with Schedule VII of the Act. Through the values and principles inherent within the Group, the Company strives to positively impact the community by promoting inclusive growth in the areas of education, art, healthcare, sports, environmental sustainability and conservation etc. Along with sustained economic performance, environmental and social stewardship is also a key factor for holistic business growth. Over the period of its long existence, the Company has upheld its tradition of community service and tried to reach out to the underprivileged in order to empower their lives and provide holistic development. The Company's focus areas are concentrated on increasing access to health, education, environment sustainability, community development and holistic development with a focus on underprivileged people. The Company's CSR Policy also focuses on leveraging the full range of the Company's resources to broaden access to the basic facilities for the underserved population. The Company wishes to formalize and institutionalize its efforts made in the domain of Corporate Social Responsibility and this Policy shall serve as a guiding document to help identify, execute and monitor CSR projects in keeping with the spirit of the Policy. The Company's revised CSR Policy is placed on its website and the web-link for the same is www.lnbgroup.com/placid/.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Structure and Developments:

The Company is a Systemically Important Non-Banking Financial Company (NBFC) (Non-Deposit Taking) and is registered with the Reserve Bank of India. The Company does not accept Public Deposits. Its activities are limited within India and is mainly engaged in the business of providing Loans and making Investments in Shares and Securities. The performance of the Company is closely linked with the overall performance of the Global and Indian Economy, Financial and Capital Markets and the business strategy of the Company is therefore dependant upon the economic environment, sectoral outlook and policies of Government and Reserve Bank of India. The Company continues to remain invested in leaders across sectors, which we believe have potential to remain differentially value-accretive over the long term.

The Indian economy demonstrated an exceptional performance during FY 2022-23, While the post pandemic global economy continues to be affected by geopolitical tensions and inflationary pressures, India continues to remain a bright spot in the world economy. As per IMF, it will alone contribute 15% of the global growth in 2023 driven by its demographic dividend, pent-up demand growth, digital infrastructure and commitment to fiscal consolidation. Overall, India is expected to close FY 2022-23 with a GDP growth of about 7%, which is the fastest amongst all the major economies. It is projected to further grow by 6.1% in FY 2023-24 - in contrast, the projected global growth rate for same period is only 2.9%.

In line with its global peers, RBI also undertook several rate hikes during the year to keep the inflationary pressures in check. Despite this, the industry demonstrated strong credit growth of 15% YoY in March 2023, driven by the overall improvement of the economy and pent-up post-covid demand. This growth was also evidenced by several high frequency indicators including the economic growth in the Country, Purchasing Manager Index readings, buoyant tax collections (both direct and indirect) etc.

The growth outlook for NBFCs has improved to 13-15 per cent from 11-13 per cent earlier led by an upward revision in the projection of business loans, retail loan growth (comprising personal and consumption loans, vehicle loans, unsecured small enterprise loans and microfinance loans etc.). Total sector Assets under Management (AUM) stood, consisting of retail, infrastructure and wholesale loans, stood at about ₹ 40-lakh crore at the end of March 2023.

Opportunities and Threats

Non-Banking Financial Companies ("NBFCs") remain one of the most important pillars for ushering financial inclusion in India, reaching out to a hitherto under/unserved populace and in the process leading to "formalization" of the credit demand. NBFCs cater to the needs of both the retail as well as commercial sectors and, at times, have been able to develop strong niches with their specialized credit delivery models that even larger players including banks, have found hard to match. This has further provided a fillip to employment generation and wealth creation and in the process, bringing in the benefits of economic progress to the unserved / underserved sections of the business and society.

The Company constantly monitors the external environments and internal situation so that it is aware of the opportunities and threats that emerge. This enables the Company to tap into the positive prospects that come its way while overcoming or managing the challenges.

Indian economy is underpenetrated in terms of domestic credit to private sector in comparison to developed and emerging economies. Thus, the possibilities for increasing the size of the credit pie through tailored and superior credit and product offerings are numerous. Further, with emergence of several new age fintech companies, there is unexplored potential for existing players to partner with these new age companies and build stronger technical capabilities, expand business reach and multiply customer base.

Major threats is to access to capital for the NBFCs in India. NBFCs are forced to rely on bank loans or the issue of bonds/ NCD to raise money, as opposed to banks, which have access to low-cost deposits. It may be challenging for NBFCs to compete with banks on interest rates. There are some other challenges like unpredictable policy changes by the Government, increasing competition from local and global players in terms of product development and technology innovations, higher exposure to semi-formal and informal sector customers, inadequate availability of bank finance and upsurge in borrowing costs, regulatory and compliance related changes in the sector affecting NBFCs.

With its strong parentage, brand recognition, liquidity and strong client network, your Company is poised to capitalize on this opportunity and foresees several profitable opportunities and tapping deeper markets. Further, the Company's robust risk management framework with a deep understanding of underwriting and credit controls shall help to mitigate the risk of deterioration in asset quality.

Annexure to the Directors' Report

Segment wise performance

The Company being a non-banking financial company operates under a single segment viz providing loans and investments in shares and securities.

Outlook

The Government's continued focus on infrastructure development, coupled with rising private investment, is providing the necessary momentum for the country's economy to flourish, backed by robust GST and income tax collections and forex reserves. The fundamentals of the country's economy remain resilient despite the challenges felt by the global economy. India is further expected to witness a growth of 6.1% in FY 2023-24. RBI projects CPI inflation for Q1 - FY 2023-24 at 5.0% and for Q2 -FY 2023-24 at 5.4% on the assumption of a normal monsoon. Whereas on the inflationary front, it is anticipated that the rates would remain moderate somewhere between 5-6%, due to the Government's adherence to calibrated monetary policies.

The forex reserve stood at USD 595.976 Billion in the first week of May 2023 marking second consecutive weekly rise in reserves. However, a high degree of synchronisation between India's growth cycle with advanced countries urges to remain cautious about plausible hindrances. This could have a significant impact on India's deepening trade and financial connections with advanced economies.

The NBFC sector is expected to deliver double-digit loan growth in FY 2024, on top of 6-8% growth projected for FY 2023.

Risks and Concerns:

The Company being a Non-Banking Financial Company is mainly engaged in the business of providing Loans and making Investment in Shares and Securities and therefore it is exposed to various financial risks such as credit, market, interest rate and liquidity risks associated with financials products.

However, the Company has a robust financial risk management system in place to identify, evaluate, manage and mitigate various risks associated with financial products and ensure that the Company accomplishes its desired financial objectives. The Company has a Risk Management Policy in accordance with the provisions of the Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 issued by Reserve Bank of India. It establishes various levels and types of risks with its varying levels of probability, the likely impact on the business and its mitigation measures. The Management evaluates the execution of Risk Management Practices in the Company, in the areas of risk identification, assessment, monitoring, mitigation and reporting from time to time.

The risk management framework is based on assessment of risks through proper analysis and understanding of the underlying risks before undertaking any transactions and changing or implementing processes and systems. This risk management and mitigation mechanism is supported by regular review, control, self-assessment and monitoring of key risk indicators.

Hence, the Management regularly monitors and reviews the continuous changing economic and market conditions in order to take timely and prudent investment decisions.

Internal Control system and their adequacy:

The Company has a proper and adequate internal control system to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and those transactions are authorised, recorded and reported correctly. The internal control is exercised through documented policies, guidelines and procedures. It is supplemented by an extensive program of internal audits conducted by the Internal Auditors and tested by the Statutory Auditors of the Company. The audit observations and corrective action taken thereon are periodically reviewed by the audit committee to ensure effectiveness of the internal control system. The internal control is designed to ensure that the financial and other records are reliable for preparing financial statements and other data, and for maintaining accountability of persons.

Financial and operational performance:

The financial statements have been prepared in accordance with Indian Accounting Standards notified under section 133 of the Companies Act 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 (as amended) together read with the MCA notification dated 11 October 2018 which states the mandate for adoption of these standards by the NBFC Companies, as defined under the Companies (Indian Accounting Standards) (Amendment) Rules, 2016. Please refer to the Directors' Report in this respect.

Annexure to the Directors' Report

Material developments in Human Resources:

Your Company continues with the philosophy of thrust and focus on human resources for its continued success. In order to strengthen our human resources for meeting the future challenges and expansion plans, we have focused on hiring the best resources available and retaining and developing our existing talent pool.

The total employee strength as on 31st March, 2023 was 23.

Cautionary statement

Statements in this management discussion and analysis describing the Company's objectives, projections and expectations may be forward looking statements within the meaning of applicable laws and regulations. Actual results may differ substantially or materially from those expressed or implied. Important developments that could affect the Company's operations include a downtrend in the industry- global or domestic or both, significant changes in political and economic environment in India, applicable statutes, litigations etc.

Corporate Governance Report

2. Committees of the Board and their Composition

The Board constituted various committees to function in specific areas and to take informed decisions within delegated powers. Each committee exercises its functions within the scope and area as defined in its constitutional guidelines. With a view to have a more focused attention on business and for better governance and accountability and as per requirement of various provisions of the Companies Act, 2013 and relevant Master Directions and Regulations issued by Reserve Bank of India from time to time the Board has constituted the following Committees:

- a) Audit Committee
- b) Nomination and Remuneration Committee
- c) Corporate Social Responsibility Committee
- d) Asset Liability Management Committee
- e) Risk Management Committee
- f) Loan and Investment Committee
- g) Grievance Redressal Committee
- h) IT Strategy Committee
- i) IT Steering Committee

a) Audit Committee

The Audit Committee acts as a link between the statutory and internal auditors and the Board of Directors. The primary objective of the Committee is to monitor and provide effective supervision of the financial reporting process to ensure reliability and timeliness of disclosures while ensuring integrity and quality of the reports.

Terms of Reference:

- i. the recommendation for appointment, remuneration and terms of appointment of auditors of the company.
- ii. review and monitor the auditor's independence and performance, and effectiveness of audit process.
- iii. Examination of the financial statement and the auditors' report thereon.
- iv. Approval or any subsequent modification of transactions of the Company with related parties.
- v. Scrutiny of inter-corporate loans and investments.
- vi. Valuation of undertakings or assets of the Company, wherever it is necessary.
- vii. Evaluation of internal financial controls and risk management system.
- viii. Monitoring the end use of funds raised through public offers and related matters.
- ix. To approve rendering of services by the statutory auditors other than those expressly barred under section 144 of the Companies Act, 2013 and remuneration for the same.
- x. To formulate the scope, functioning, periodicity and methodology for conducting the internal audit.
- xi. To carry out such other business as may be required by applicable law or considered appropriate in view of the general terms of reference and purpose of the Audit Committee.

Meetings of Committee

The Audit Committee met 4 (Four) times on 28th May, 2022, 5th August, 2022, 29th October, 2022 and 4th February, 2023 during the year under review.

Composition of the Audit Committee as on March 31, 2023 and summarized details of number of meetings held and attended by the members (who are part of the committee at the end of the financial year) during the year are as given below:

Corporate Governance Report

Sl No.	Name of the Director	Member of Committee since	Capacity (i.e. Executive/Non-Executive/Chairman/Promoter nominee/Independent)	No. of meetings of the Committee		No. of shares held
				Held	Attended	
1.	Mr. Lakshmi Niwas Bangur	22.03.2012	Chairman	4	4	8550
2.	Mr. Bhaskar Banerjee	15.05.2018	Independent	4	3	Nil
3.	Mr. Ramavtar Holani	28.05.2022	Independent	4	1	Nil

b) Nomination and Remuneration Committee:

The main objective of the Nomination & Remuneration Committee is:

- To set criteria for determining qualifications, positive attributes and independence of a director, and remuneration of the Executives.
- To enable the Company to attract, retain and motivate highly qualified members for the Board and other executive level to run the Company successfully.
- To enable the Company to provide a well-balanced and performance-related compensation package, taking into account shareholder interests, industry standards and relevant Indian corporate regulations.
- To ensure that the interests of Board members & senior executives are aligned with the business strategy and risk tolerance, objectives, values and long-term interests of the company and will be consistent with the "pay-for-performance" principle.
- To ensure that remuneration to directors, KMP and senior management employees of the Company involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

Terms of reference:

- To formulate criteria for:
 - determining qualifications, positive attributes and independence of a director,
 - evaluation of independent directors and the Board.
- To devise the following policies on:
 - remuneration including any compensation related payments of the directors, key managerial personnel and other employees and recommend the same to the board of the Company.
 - board diversity laying out an optimum mix of executive, independent and non-independent directors keeping in mind the needs of the Company.
- To identify persons who are qualified to:
 - become directors in accordance with the criteria laid down, and recommend to the Board the appointment and removal of directors.
 - be appointed in senior management in accordance with the policies of the Company and recommend their appointment.
- To discuss, approve the appointment, reappointment of executive directors, managing directors and also to fix their remuneration packages and designations.
- To carry out evaluation of the performance of every director of the Company.
- To express opinion to the Board that a director possesses the requisite qualification(s) for the practice of the profession in case the services to be rendered by a director are of professional nature.
- To carry out such other business as may be required by applicable law or considered appropriate in view of the general terms of reference and purpose of the Nomination and Remuneration Committee.

Standalone Financial Statements

Independent Auditor's Report

To the Members of
Placid Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Placid Limited (the 'Company') CIN – U74140WB1946PLC014233 which comprise the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs (financial position) of the Company as at March 31, 2023, and its profit (financial performance including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Principal Audit Procedures

We have performed the following audit procedures in order to obtain sufficient audit evidence:

- Evaluated the design of internal controls and tested the operating effectiveness of key internal controls around the process of preparation of Financial Statements,
- Reviewed the exemptions availed by the Company from certain requirements under Ind AS,
- Obtained an understanding of the governance over the determination of key judgments,
- Evaluated and tested the key assumptions and judgments adopted by management,
- Assessed the disclosures made against the relevant Ind AS, and
- Determined the appropriateness of the methodologies and models used along with the responsibility of the outputs.

Information other than the standalone Financial Statement and Auditor's Report thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Independent Auditor's Report

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statement, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's management is responsible to make a detailed assessment (to the extent possible based on the information available) of the impact of COVID19 on the items, components of the Financial statements including disclosures in the financial statement.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable Assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate they could reasonably be expected to influence the economic decisions of the users taken on the basis of these standalone financial statements.

As a part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and to obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Independent Auditor's Report

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentations, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosures about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act [hereinafter referred to as the Order], we give in the Annexure 'A' a standalone statement on the matters specified in paragraphs 3 and 4 of the order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The financial statements dealt with by this report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.

Independent Auditor's Report

- (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'.
- (g) With respect to the matter to be included in the Auditors' Report under section 197(16):
In our opinion and according to the information and explanations given to us, the remuneration paid by the company to its directors during the current year is in accordance with the provision of Section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The Company has disclosed the impact of pending litigation and its impact on financial position in the standalone financial statement. Refer Note 28 to the standalone financial statements;
- (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection fund by the Company.
- (iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- (v) The Company has not declared or paid any dividend during the year.
- (vi) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

Details of which is given below:

Description of property	Gross carrying value(Rs.in lakhs)	Held in name of	Whether promoter, director or their relative or employee	Period held	Reason for not being held in name of company
Investment Property-Land	500.51	Shri Govind Kripa Buildmart Pvt. Ltd.	No	Since 03-08-2013	Jaipur Development Authority has to set up a camp for issuance of PATTA against requisite fee.

- d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
- e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- 2) a) According to the information and explanations given to us the Company does not have any Inventory. Therefore, the provisions of Clause 3(ii)(a) of the order is not applicable to the Company.
- b) According to the information and explanations given to us , the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, at any point of time during the year, from banks or financial institutions on the basis of security of current assets. Therefore, the provision of Clause 3(ii)(b) of the Order is not applicable to the Company.
- 3) In respect of the Investments in, provision of guarantee or security & granting of loans or advances in the nature of loans, secured or unsecured, by the Company to Companies, Firms, Limited Liability Partnership or other parties -
- a) The Company is in the principal business of giving loans. Therefore Clause 3(iii)(a) of the Order is not applicable to the Company.
- b) In our opinion, the investments made, guarantees provided, security given (if any) and the terms and conditions of the grant of loans, during the year are, prima facie, not prejudicial to the Company’s interest.
- c) In our opinion and according to the information and explanation given to us, with respect to loans granted by the Company, the cases where the schedule of repayment of principal and payment of interest has been stipulated, the repayments of principal amounts and receipts of interest are generally been regular as per the stipulation and in case of loans repayable on demand nature, the payment of interest has been stipulated and receipts of interest are generally been regular. We report that the schedule of repayments are regular except for certain instances as below:

Annexure – A to Auditors’ Report

Overdue outstanding as on March 31, 2023

Particulars – Days past due	Total amount due (₹ in lakhs)	No. of Cases
More than 3 months overdue	124.02	8
Total	124.022	8

- d) The total amount which is overdue for more than 90 days as at 31 March 2023 in respect of loans or advances in the nature of loans granted to such companies, firms, LLPs or other parties is as follows:

Particulars	Amount (₹ in lakhs)	No. of Cases	Remarks, if any
Principal	124.02	8	Out of Rs. 124.02 lacs, loans amounting to Rs. 4.28 lacs have been considered as ‘Loss assets’ and 100% provision is made by the company in respect of such loans
Interest	-	-	-
Total	124.02	-	-

Reasonable steps have been taken by the Company for recovery of such principal amounts and interest..

- e) The Company is in the principal business of giving loans. Therefore Clause 3(iii)(e) of the Order is not applicable to the Company.
- f) The Company has granted Loans repayable on demand to the tune of Rs. 20158.80 Lakhs, accumulating to 79.81% of the Total loans or advances in the nature of loans granted by the Company. The Company has granted Loans repayable on Demand up to Rs. 14158.80 Lakhs to related parties as defined in clause (76) of Section 2 of the Companies Act, 2013.
- 4) In our opinion and according to the information and explanation given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013, in respect of Loans, Investments, Guarantees and Security.
- 5) According to the information and explanations given to us, the Company has not accepted any deposit from the public and hence the directives issued by the Reserve Bank of India and the provisions of section 73, 74, 75 & 76 of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable. Therefore, Clause 3(v) of the CARO 2020 is not applicable to the Company.
- 6) The Central Government of India has not prescribed the maintenance of cost records under sub section (1) of section 148 of the Companies Act, 2013 for any of the products of the company.
- 7) a) In our opinion, the company has generally been regular in depositing with appropriate authorities undisputed statutory dues including Goods and Services Tax, provident fund, employees’ state insurance, income tax, sales tax, service tax, duty of custom, duty of excise, value added tax, cess and other material statutory dues applicable to it. According to the information and explanations given to us, no undisputed amounts payable in respects of the aforesaid dues were outstanding, as at 31st March, 2023 for a period of more than six months from the date they became payable.
- b) Details of dues of Income Tax, Sales Tax, duty of Custom, Wealth Tax, Service Tax, duty of Excise, Value Added Tax and Cess, which have not been deposited as on 31st March, 2023 on account of dispute are given below:

Name of the statute	Nature of dues	Amount (Rs. In lacs)	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income tax	5.36	1989-1990 &	-
Income Tax Act, 1961	Income tax	(Rs.1.55paid under protest)	1990-1991	-
Income Tax Act, 1961	Income tax	0.54	2008-2009	CIT Appeal
Income Tax Act, 1961	Income tax	47.75	2013-2014	-

Annexure – A to Auditors’ Report

Name of the statute	Nature of dues	Amount (Rs. In lacs)	Period to which the amount relates	Forum where dispute is pending
Central sales Tax Act, 1956	Central Sales Tax	4.25	1987-88 to 1991-92	Addl. Appellate Assistant Comm. (CT)
Pursuant to merger of Digvijay Investment Limited vide High Court order dated 29th February, 2012				
Income Tax Act, 1961	Income tax	24.84	2006-2007	Appellate Tribunal
Income Tax Act, 1961	Income tax	9.94	2008-2009	CIT (Appeal)-1
Income Tax Act, 1961	Income tax	12.12	2009-2010	Appellate Tribunal
Income Tax Act, 1961	Income tax	41.24	2010-2011	CIT (Appeal)-1

- 8) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- 9) a) According to the records of the company examined by us and the information and explanations given to us, we are of the opinion that the company has not defaulted in repayment of loans or other borrowings or payment of interest thereon to any lender.
- b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- c) According to the information and explanations given to us, term loans were applied for the purpose for which the loans were obtained.
- d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e) According to the records of the company examined by us and the information and explanations given to us, the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- f) According to the records of the company examined by us and the information and explanations given to us, the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies
- 10) a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- b) According to the information and explanations given to us by the management, the company has not made any preferential allotment or private placement of shares or fully or partly or optionally convertible debentures during the year under review. Accordingly, the provisions of Clause 3(x)(b) of the Order are not applicable to the Company.
- 11) a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c) We have not received any whistle-blower complaints during the year and hence, reporting under Clause 3(xi) (c) of the order is not applicable to the Company.
- 12) The Company is not a Nidhi Company. Therefore, the provisions of clause 3(xii) of the Order are not applicable to the Company.
- 13) According to the information and explanations given to us and based on our examination of records of the Company, transactions with the related parties are in compliance with Section 177 and 188 of companies Act, 2013 where applicable and the details have been disclosed in the Financial Statements, as required by the applicable accounting standards.

Annexure – A to Auditors' Report

- 14) a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- 15) In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- 16) a) According to the audit procedures performed and the information and explanation given to us by the management, the company is registered under Section 45-IA of the Reserve Bank of India Act, 1934.
- b) According to the audit procedures performed and the information and explanation given to us by the management, the Company has performed Non-Banking Financial Activities during the year having a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- c) According to the audit procedures performed and the information and explanation given to us by the management, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and hence, clause 3(xvi)(c) of the order is not applicable to the Company.
- d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- 17) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- 18) There has been no resignation of the statutory auditors of the Company during the year.
- 19) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- 20) a) According to the information and explanations given to us and based on our examination of records of the Company, there are no amounts which are required to be transferred to a Fund specified in Schedule VII to the Companies Act within a period of six months of the expiry of the financial year in compliance with second proviso to sub-section (5) of section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the Company.
- b) There are no unspent amounts towards Corporate Social Responsibility (CSR) pursuant to any ongoing projects requiring a transfer to a Fund specified to the Companies Act in compliance with provision of (6) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable for the year.

Annexure – B to Auditors' Report

Report on the Internal Financial Controls with reference to the aforesaid standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of PLACID LIMITED ("the Company") CIN – U74140WB1946PLC014233, as of 31 March 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls with reference to standalone financial statements (the "Guidance Note") and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial control with reference to standalone financial statements included obtaining an understanding of internal financial control with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control with reference to standalone financial statements.

Meaning of Internal Financial Controls With reference to standalone financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Annexure – B to Auditors' Report

Inherent Limitations of Internal Financial Controls With reference to standalone financial statements

Because of the inherent limitations of internal financial control with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control with reference to standalone financial statements and such internal financial control with reference to standalone financial statements were operating effectively as at 31 March 2023, based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

1 (a) Corporate Information

Placid Limited ("the Company") is a public limited company domiciled in India and registered under the provisions of the Companies Act, 1956, governed by Companies Act, 2013. The Company is a non-deposit taking Systemically Important Non-Banking Financial Company ("NBFC") registered with Reserve Bank of India ("the RBI") and is engaged in the business of providing loans and making investments in shares and securities. Pursuant to circular RBI/2021-22/112 DOR.CRE.REC.No.60/03.10.001/2021-22, dated October 22, 2021 and RBI/2022-23/129 DOR.CRE.REC.No.78/03.10.001/2022-23, dated October 21, 2022, The company deemed to be fall under middle layer.

(b) Basis of preparation of standalone financial statements

These standalone financial statements has been prepared in accordance with Indian Accounting Standards notified under section 133 of the Companies Act 2013, read together with the Companies (Indian Accounting Standards) Rules, as amended from time to time ('Ind AS') along with other relevant provisions of the Act; the Master Direction – Non-Banking Financial Company – Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 ('the NBFC Master Directions') issued by Reserve Bank of India (RBI) and the regulatory guidance on implementation of Ind AS as notified by the RBI vide notification dated 13 March 2020.

The Guidance Note on Division III - Schedule III to the Companies Act. 2013 issued by the Institute of Chartered Accountants of India ("ICAI") has been followed insofar as they are not inconsistent with any of these Directions

These standalone financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these standalone financial statements.

(c) Presentation of standalone financial statements

The Company presents its balance sheet in order of liquidity. An analysis regarding recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non-current) is presented in note 40.

Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business.
- The event of default.
- The event of insolvency or bankruptcy of the Company and/or its counterparties.

(d) Significant accounting judgements, estimates and assumptions

The preparation of the standalone financial statements requires management to make judgements, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities, and the accompanying disclosures, as well as the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

Business model assessment

Classification and measurement of financial assets depends on the results of the SPPI and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortised cost or fair value through other comprehensive income that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

Fair value of financial instruments

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values. Judgements and estimates include considerations of liquidity and model inputs related to items such as credit risk (both own and counterparty), funding value adjustments, correlation and volatility.

Provisions and other contingent liabilities

The Company operates in a regulatory and legal environment that, by nature, has a heightened element of litigation risk inherent to its operations. As a result, it is involved in various litigation, arbitration and regulatory investigations and proceedings in the ordinary course of the Company's business. When the Company can reliably measure the outflow of economic benefits in relation to a specific case and considers such outflows to be probable, the Company records a provision against the case. Where the probability of outflow is considered to be remote, or probable, but a reliable estimate cannot be made, a contingent liability is disclosed. Given the subjectivity and uncertainty of determining the probability and amount of losses, the Company takes into account a number of factors including legal advice, the stage of the matter and historical evidence from similar incidents. Significant judgement is required to conclude on these estimates.

2 Significant accounting policies

2.01 Revenue recognition

Interest income (Effective interest rate method)

Under Ind AS 109 interest income is recorded using the effective interest rate (EIR) method for all financial instruments measured at amortised cost, debt instrument measured at FVOCI and debt instruments designated at FVTPL. The EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument or, when appropriate, a shorter period, to the net carrying amount of the financial asset. The EIR (and therefore, the amortised cost of the asset) is calculated by taking into account any discount or premium on acquisition, fees and costs that are an integral part of the EIR. The Company recognises interest income using a rate of return that represents the best estimate of a constant rate of return over the expected life of the loan. Hence, it recognises the effect of potentially different interest rates charged at various stages, and other characteristics of the product life cycle (including prepayments, penalty interest and charges). If expectations regarding the cash flows on the financial asset are revised for reasons other than credit risk. The adjustment is booked as a positive or negative adjustment to the carrying amount of the asset in the balance sheet with an increase or reduction in interest income. The adjustment is subsequently amortised through interest income in the statement of profit and loss.

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets net of upfront processing fees. When a financial asset becomes credit-impaired and is, therefore, regarded as 'Stage 3', the Company calculates interest income by applying the effective interest rate to the net amortised cost of the financial asset. If the financial assets cures and is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis. For purchased or originated credit-impaired (POCI) financial assets, the Company calculates interest income by calculating the credit-adjusted EIR and applying that rate to the amortised cost of the asset. The credit-adjusted EIR is the interest rate that, at original recognition, discounts the estimated future cash flows (including credit losses) to the amortised cost of the POCI assets. Interest income on all trading assets and financial assets mandatorily required to be measured at FVTPL is recognised using the contractual interest rate in net gain on fair value changes.

Dividend income

Dividend income (including from FVOCI investments) is recognised when the Company's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably.

Trading income

Trading income includes all gains and losses from changes in fair value and the related interest income or expense and dividends, for financial assets and financial liabilities held for trading.

2 Significant accounting policies (cont'd)

2.02 Financial instruments

Point of recognition

Financial assets and liabilities, with the exception of loans, debt securities, deposits and borrowings are initially recognised on the trade date, i.e., the date that the Company becomes a party to the contractual provisions of the instrument. This includes regular way trades: purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the market place. Loans are recognised when funds are transferred to the customers' account. The Company recognises debt securities, deposits and borrowings when funds reach the Company.

Initial recognition

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments, as per the principles of the Ind AS. Financial instruments are initially measured at their fair value, except in the case of financial assets and financial liabilities recorded at FVTPL, transaction costs are added to, or subtracted from, this amount. Trade receivables are measured at the transaction price. When the fair value of financial instruments at initial recognition differs from the transaction price, the Company accounts mentioned below:

When the transaction price of the instrument differs from the fair value at origination and the fair value is based on a valuation technique using only inputs observable in market transactions, the Company recognises the difference between the transaction price and fair value in net gain on fair value changes. In those cases where fair value is based on models for which some of the inputs are not observable, the difference between the transaction price and the fair value is deferred and is only recognised in profit or loss when the inputs become observable, or when the instrument is derecognised.

Subsequent measurement of financial liabilities

All financial liabilities of the Company are subsequently measured at amortized cost using the effective interest method. Under the effective interest method, the future cash payments are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial liability over the relevant period of the financial liability to arrive at the amortized cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognized as interest expense over the relevant period of the financial liability. The same is included under finance cost in the Statement of Profit and Loss.

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

Subsequent measurement of financial assets

For subsequent measurement, the Company classifies a financial asset in accordance with the below criteria:

- i. The Company's business model for managing the financial asset; and
- ii. The contractual cash flow characteristics of the financial asset.

Based on the above criteria, the Company classifies its financial assets into the following categories:

- (a) Financial assets measured at amortized cost
- (b) Financial assets measured at fair value through other comprehensive income (FVTOCI)
- (c) Financial assets measured at fair value through profit or loss (FVTPL)

(a) Financial assets measured at amortized cost:

A Financial asset is measured at the amortized cost if both the following conditions are met:

- (i) The Company's business model objective for managing the financial asset is to hold financial assets in order to collect contractual cash flows; and
- (ii) The contractual terms of the Financial asset give rise on specified dates to cash Flows that are solely payments of principal and interest on the principal amount outstanding.

This category applies to cash and bank balances, trade receivables, loans and other financial assets of the Company. Such financial assets are subsequently measured at amortized cost using the effective interest method. Under the effective interest method, the future cash receipts are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial asset over the relevant period of the financial asset to arrive at the amortized cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognized as interest income over the relevant period of the financial asset. The same is included under other income in the Statement of Profit and Loss. The amortized cost of a financial asset is also adjusted for loss allowance, if any.

(b) Financial assets measured at FVTOCI:

A financial asset is measured at FVTOCI if both of the following conditions are met:

- (i) The Company's business model objective for managing the financial asset is achieved both by collecting contractual cash flows and selling the financial assets; and
- (ii) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

This category applies to certain investments in debt and equity instruments. Such financial assets are subsequently measured at fair value at each reporting date. Fair value changes are recognized in the Statement of profit and loss under 'Other Comprehensive Income (OCI)'. However, the Company recognizes interest income and impairment losses and its reversals in the Statement of Profit and Loss. On de-recognition of such financial assets, cumulative gain or loss previously recognized in OCI is reclassified from equity to the Statement of Profit and Loss, except for instruments which the Company has irrevocably elected to be classified as equity through OCI at initial recognition, when such instruments meet the definition of definition of Equity under Ind AS 32 Financial Instruments: Presentation and they are not held for trading. The Company has made such election on an instrument by instrument basis.

Gains and losses on these equity instruments are never recycled to profit or loss. Dividends are recognised in the statement of profit or loss as dividend income when the right of the payment has been established, except when the Company benefits from such proceeds as a recovery of part of the cost of the instrument, in which case, such gains are recorded in OCI. Equity instruments at FVOCI are not subject to an impairment assessment.

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

(c) Financial assets measured at FVTPL:

A financial asset is measured at FVTPL unless it is measured at amortized cost or at FVTOCI as explained above. This is a residual category applied to all other investments of the Company excluding investments in subsidiary and associate companies. Such financial assets are subsequently measured at fair value at each reporting date. Fair value changes are recognized in the Statement of Profit and Loss.

Financial assets or financial liabilities held for trading:

The Company classifies financial assets as held for trading when they have been purchased or issued primarily for short-term profit making through trading activities or form part of a portfolio of financial instruments that are managed together, for which there is evidence of a recent pattern of short-term profit taking. Held-for-trading assets and liabilities are recorded and measured in the balance sheet at fair value. Changes in fair value are recognised in net gain on fair value changes.

Interest and dividend income or expense is recorded in net gain on fair value changes according to the terms of the contract, or when the right to payment has been established. Included in this classification are debt securities, equities, and customer loans that have been acquired principally for the purpose of selling or repurchasing in the near term.

De-recognition:

(a) Financial asset:

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized (i.e. removed from the Company's balance sheet) when any of the following occurs:

- i. The contractual rights to cash flows from the financial asset expires;
- ii. The Company transfers its contractual rights to receive cash flows of the financial asset and has substantially transferred all the risks and rewards of ownership of the financial asset. A regular way purchase or sale of financial assets has been derecognised, as applicable, using trade date accounting.
- iii. The Company retains the contractual rights to receive cash flows but assumes a contractual obligation to pay the cash flows without material delay to one or more recipients under a 'pass-through' arrangement (thereby substantially transferring all the risks and rewards of ownership of the financial asset);
- iv. The Company neither transfers nor retains substantially all risk and rewards of ownership and does not retain control over the financial asset.

In cases where Company has neither transferred nor retained substantially all of the risks and rewards of the Financial asset, but retains control of the financial asset, the Company continues to recognize such financial asset to the extent of its continuing involvement in the financial asset. In that case, the Company also recognizes an associated liability. The financial asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

On de-recognition of a financial asset, (except as mentioned in ii above for financial assets measured at FVTOCI), the difference between the carrying amount and the consideration received is recognized in the Statement of Profit and Loss.

(b) Financial liability:

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. The difference between the carrying value of the original financial liability and the consideration paid is recognised in profit or loss.

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

Impairment of financial assets:

In accordance with Ind AS 109, the Company applies expected credit loss ('ECL') model for measurement and recognition of impairment loss for financial assets.

ECL is the weighted-average of difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Company is required to consider:

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

Other financial assets:

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

2.03 Fair Value

The Company measures its financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

- **Level 1 (unadjusted)** - Those where the inputs used in the valuation are unadjusted quoted prices from active markets for identical assets or liabilities that the Company has access to at the measurement date. The Company considers markets as active only if there are sufficient trading activities with regards to the volume and liquidity of the identical assets or liabilities and when there are binding and exercisable price quotes available on the balance sheet date.
- **Level 2** - Those where the inputs that are used for valuation and are significant, are derived from directly or indirectly observable market data available over the entire period of the instrument's life. Such inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical instruments in inactive markets and observable inputs other than quoted prices such as interest rates and yield curves, implied volatilities, and credit spreads. In addition, adjustments may be required for the condition or location of the asset or the extent to which it relates to items that are comparable to the valued instrument. However, if such adjustments are based on unobservable inputs which are significant to the entire measurement, the Company will classify the instruments as Level 3.
- **Level 3** - Those that include one or more unobservable input that is significant to the measurement as whole.

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

2.04 Income Taxes

Tax expense is the aggregate amount included in the determination of profit or loss for the period in respect of current tax and deferred tax.

Current tax

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act, 1961. Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit under Income tax Act, 1961.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized. Also, for temporary differences if any that may arise from initial recognition of goodwill, deferred tax liabilities are not recognized.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefits of part or all of such deferred tax assets to be utilized.

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

The Company has not recognised a deferred tax liability for all taxable temporary differences associated with investments in subsidiaries and associates, and interests in joint arrangements, except to the extent that both of the following conditions are satisfied:

- the parent, investor, joint venturer or joint operator is able to control the timing of the reversal of the temporary difference; and
- it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Presentation of current and deferred tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/expense are recognized in Other Comprehensive Income. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the company will pay normal income tax during the specified period. Further, the MAT credit is not set-off against the deferred tax liabilities, since the Company does not have a legally enforceable right to set-off.

2.05 Provisions and contingencies

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

2.06 Cash and Cash Equivalents

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments.

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

2.07 Lease accounting

A lease is defined as 'a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration'.

To apply this definition the Company assesses whether the contract meets three key evaluations which are whether:

- the contract contains an identified asset, which is either explicitly identified in the contract or implicitly specified by being identified at the time the asset is made available to the Company
- the Company has the right to obtain substantially all of the economic benefits from use of the identified asset throughout the period of use, considering its rights within the defined scope of the contract

the Company has the right to direct the use of the identified asset throughout the period of use.

Measurement and recognition of leases:

At lease commencement date, the Company recognises a right-of-use asset and a lease liability on the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Company, an estimate of any costs to dismantle and remove the asset at the end of the lease, and any lease payments made in advance of the lease commencement date (net of any incentives received).

At the commencement date, the Company measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the Company's incremental borrowing rate.

Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance fixed), variable payments based on an index or rate, amounts expected to be payable under a residual value guarantee and payments arising from options reasonably certain to be exercised.

Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments.

When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the right-of-use asset is already reduced to zero.

The Company has elected to account for short-term leases and leases of low-value assets using the practical expedients. Instead of recognising a right-of-use asset and lease liability, the payments in relation to these are recognised as an expense in profit or loss on a straight-line basis over the lease term.

On the statement of financial position, right-of-use assets have been included in property, plant and equipment and lease liabilities have been included in Borrowings.

2.08 Employee Benefits

Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short-term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

Post-employment benefits

(i) Defined contribution plans

Defined contribution plans are employee state insurance scheme and Government administered pension fund scheme for all applicable employees.

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

Recognition and measurement of defined contribution plans:

The Company recognizes contribution payable to a defined contribution plan as an expense in the Statement of Profit and Loss when the employees render services to the Company during the reporting period. If the contributions payable for services received from employees before the reporting date exceeds the contributions already paid, the deficit payable is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the reporting date, the excess is recognized as an asset to the extent that the prepayment will lead to, for example, a reduction in future payments or a cash refund.

(ii) Defined benefits plans

Gratuity scheme:

Gratuity is a post employment benefit and is a defined benefit plan. The cost of providing defined benefits is determined using the Projected Unit Credit method with actuarial valuations being carried out at each reporting date. The defined benefit obligations recognized in the Balance Sheet represent the present value of the defined benefit obligations as reduced by the fair value of plan assets, if any. Any defined benefit asset (negative defined benefit obligations resulting from this calculation) is recognized representing the present value of available refunds and reductions in future contributions to the plan.

Recognition and measurement of defined benefit plans

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability / (asset) are recognized in the Statement of Profit and Loss. Remeasurements of the net defined benefit liability / (asset) comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liability/asset), are recognized in Other Comprehensive Income. Such remeasurements are not reclassified to the Statement of Profit and Loss in the subsequent periods.

The Company does not presents the above liability/(asset) as current and non-current in the Balance Sheet as per the principles of Division III financial statements as per the MCA notification dated 11 October 2018.

(iii) Other employee benefits:

Entitlements to compensated absences are recognized as and when they accrue to employees and they are considered to be a financial liability, since the accumulated leaves can be encashed at the end of every year.

2.09 Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized, if any. All other borrowing costs are expensed in the period in which they occur.

2.10 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Company.

2.11 Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

2.12 Property, plant & equipment

Measurement at recognition

An item of property, plant and equipment that qualifies as an asset is measured on initial recognition at cost. Following initial recognition, items of property, plant and equipment are carried at its cost less accumulated depreciation and accumulated impairment losses.

The cost of an item of property, plant and equipment comprises of its purchase price including import duties and other non-refundable purchase taxes or levies, directly attributable cost of bringing the asset to its working condition for its intended use and the initial estimate of decommissioning, restoration and similar liabilities, if any. Any trade discounts and rebates are deducted in arriving at the purchase price. Cost includes cost of replacing a part of a plant and equipment if the recognition criteria are met. Items such as spare parts, stand-by equipment and servicing equipment that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Costs in nature of repairs and maintenance are recognized in the Statement of Profit and Loss as and when incurred.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Capital work-in-progress and capital advances:

Cost of assets not ready for intended use, as on the balance sheet date, is shown as capital work-in-progress. Advances given towards acquisition of fixed assets outstanding at each balance sheet date are disclosed as other non-financial assets.

Depreciation

Depreciation on each part of an item of property, plant and equipment is provided using the written down value method based on the useful life of the asset as prescribed in Schedule II to the Act. Expenditure on renovation, overhaul and modernisation of Property, Plant & Equipment resulting in increased life and/or efficiency of an existing asset is added to the cost of the related assets. The cost which have been capitalized are depreciated based on the technical evaluation of useful life done by the Management or the technical expert. Depreciation is calculated on a pro-rata basis from the date of installation till date the assets are sold or disposed. Leasehold improvements are amortised over the underlying lease term on a straight line basis.

De-recognition

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the de-recognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss when the item is derecognized.

2.13 Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

2.14 Share based payments

The Company has equity-settled share-based remuneration plans for its employees. None of the plans are cash-settled. Where employees are rewarded using share-based payments, the fair value of employees' services is determined indirectly by reference to the fair value of the equity instruments granted. This fair value is appraised at the grant date and excludes the impact of non-market vesting conditions (for example profitability and sales growth targets and performance conditions).

All share-based remuneration is ultimately recognised as an expense in the statement of profit or loss with a corresponding credit to equity. If vesting periods or other vesting conditions apply, the expense is allocated over the vesting period, based on the best available estimate of the number of share options expected to vest.

Upon exercise of share options, the proceeds received, net of any directly attributable transaction costs, are allocated to share capital up to the nominal (or par) value of the shares issued with any excess being recorded as securities premium.

2.15 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted-average number of equity shares outstanding during the period. The weighted-average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted-average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(a) Description of nature and purpose of each reserve:**Retained earnings**

Retained earnings are the profits that the Company has earned till date, less any transfer to general reserves, dividends and other distributions made to the shareholders.

General reserve

General reserve is created from time to time by way of transfer profits from retained earnings for appropriation purposes. General reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

Statutory reserve

The Company is required to create a reserve in accordance with the provisions of Section 45IC of the Reserve Bank of India Act, 1934. Accordingly 20% of the profits after tax for the year is transferred to this reserve at the end of every reporting period.

Share capital cancellation reserve & Capital Reserve

These reserves had been created on merger of various companies on different dates

Notes to Standalone Financial Statements for the year ended 31 March 2023

(All amounts in ₹ lacs, unless otherwise stated)

Stock option outstanding account

The account is used to recognise the grant date value of options issued to employees under Employee stock option plan and adjusted as and when such options are exercised or otherwise expire.

Other comprehensive income

This represents the cumulative gains and losses arising on the revaluation of equity instruments measured at fair value through other comprehensive income, under an irrevocable option, net of amounts reclassified to retained earnings when such assets are disposed off, if any.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised directly in other comprehensive income.

Defined benefits plans - Gratuity (unfunded)

Gratuity plan is a defined benefit plan that provides for lump sum gratuity payment to employees made at the time of their exit by the way of retirement (on superannuation or otherwise), death or disability. The benefits are defined on the basis of their final salary and period of service and such benefits paid under the plan is not subject to the ceiling limit specified in the Payment of Gratuity Act, 1972. Liability as on the Balance Sheet date is provided based on actuarial valuation done by a certified actuary using projected unit credit method.

Aforesaid defined benefit plans typically expose the Company to actuarial risks such as pay as you go risk, salary risk, investment risk and longevity risk.

Pay as you go risk	For unfunded schemes, financial planning could be difficult as the benefits payable will directly affect the revenue and this could be widely fluctuating from year to year. Moreover there may be an opportunity cost of better investment returns affecting adversely the cost of the scheme.
Salary risk	The present value of the defined benefit liability is calculated by reference to the future salaries of plan participants. As such, an increase in salary of the plan participants will increase the plan's liability.
Investment risk	The present value of the defined benefit liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.
Longevity risk	The present value of the defined benefit liability is calculated by reference to the best estimate of the mortality plan of the participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

The following tables summarise the components of defined benefit expense recognised in the statement of profit or loss/OCI and amounts recognised in the Balance Sheet for the respective plans:

	Year ended 31 March 2023	Year ended 31 March 2022
(i) Change in projected benefit obligation		
Projected benefit obligation at the beginning of the year	93.04	74.67
Current service cost	13.18	15.16
Interest cost	6.61	5.07
Actuarial (gain)/loss arising from assumption changes	(0.66)	(3.01)
Actuarial (gain)/loss arising from experience adjustments	10.94	2.66
Benefits Paid	-	(1.51)
Projected benefit obligation at the end of the year	123.11	93.04
(ii) Components of net cost charged to the Statement of Profit and Loss		
Employee benefits expense:		
- Current service costs	13.18	15.16
- Defined benefit costs recognized Statement of Profit and Loss	-	-
Finance costs		
- Interest costs	6.61	5.07
- Interest income	-	-
Net impact on profit before tax	19.78	20.23

Notes to Standalone Financial Statements for the year ended 31 March 2023

(All amounts in ₹ lacs, unless otherwise stated)

	Year ended 31 March 2023	Year ended 31 March 2022
(iii) Components of net cost charged taken to Other comprehensive income		
Actuarial (gain)/loss arising from assumption changes	(0.66)	(3.01)
Actuarial (gain)/loss arising from experience adjustments	(10.94)	2.66
Benefits Paid		
	(11.59)	(0.35)
(iv) Key actuarial assumptions		
Discount rate	7.17%	7.10%
Salary growth rate	8.00%	8.00%
Average remaining working life (in years)	13.17	13.33
Retirement age	58 Years	58 Years
	As at 31 March 2023	As at 31 March 2022
Mortality rate:		
Less than 30 years	2%	2%
31-44 years	2%	2%
45 years and above	2%	2%
	Year ended 31 March 2023	Year ended 31 March 2022
(v) Sensitivity analysis		
A quantitative sensitivity analysis for significant assumption is as shown below:		
DBO at 31.3 with discount rate +1%	92.49	84.18
DBO at 31.3 with discount rate -1%	111.23	103.25
DBO at 31.3 with +1% salary escalation	111.29	103.29
DBO at 31.3 with -1% salary escalation	92.27	83.99
DBO at 31.3 with +50% withdrawal rate	100.69	92.36
DBO at 31.3 with -50% withdrawal rate	101.82	93.78
DBO at 31.3 with +10% mortality rate	101.14	92.94
DBO at 31.3 with -10% mortality rate	101.32	93.14

Methods and assumptions used in preparing sensitivity analysis and their limitations:

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the Balance Sheet.

(vi) Maturity analysis of the benefit payments:

Weighted average duration of the gratuity plan is 10 years (P.Y. 21-22 - 11years). Expected benefits payments for each such plans over the years is given in the table below:

	As at 31 March 2023	As at 31 March 2022
Year 1	6.30	5.39
2 to 5 years	21.22	18.86
6 to 10 years	82.83	72.87
More than 10 years	108.16	117.00

	49,161.08	50,984.10
Carried at FVTPL		
Investments	21,435.23	22,300.47
	21,435.23	22,300.47

Notes to Standalone Financial Statements for the year ended 31 March 2023

(All amounts in ₹ lacs, unless otherwise stated)

Particulars	As at 31 March 2023	As at 31 March 2022
Carried at FVTOCI		
Investments in Equity Instruments	23,402.31	15,523.43
	23,402.31	15,523.43
	93,998.62	88,807.99
(B) Financial liabilities		
Measured at amortised cost		
Borrowings	25,994.38	19,842.95
Other financial liabilities	462.69	158.96
	26,457.07	20,001.91

(b) Fair value hierarchy

The fair value of financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced sale or liquidation sale. Methods and assumptions used to estimate the fair values are consistent in all the years. Fair value of financial instruments referred to in note (a) above has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets and liabilities and lowest priority to unobservable entity specific inputs.

Particulars	As at 31 March 2023	As at 31 March 2022
Level 1 (Quoted prices in active market)		
Financial assets measured at FVTOCI		
Investments in quoted equity instruments	12,748.27	4,553.89
Financial assets measured at FVTPL		
Investments in mutual funds	8,357.53	9,954.15
Level 3 (Significant observable inputs)		
Financial assets measured at FVTOCI		
Investments in unquoted equity instruments	9,246.90	9,862.02
Investments in preference instruments	1,407.14	1,107.52
Financial assets measured at FVTPL		
Investments in venture capital funds	2,292.30	2,485.71
Investments in Sub Hybrid Facility	6,800.51	6,106.83
Investments in Hybrid Facility	3,984.88	3,753.78
	44,837.54	37,823.89

(c) Fair value of assets and liabilities measured at cost/amortised cost

The carrying amount of financial assets and financial liabilities measured at amortised cost are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amount would be significantly different from the values that would be eventually received or settled. Management assessed that fair values of cash and cash equivalents, bank deposits, loans, trade receivables, and other financial liabilities approximate their carrying amounts of these instruments.

(d) Valuation process and technique used to determine fair value for investments valued using significant unobservable inputs (level 3)

Specific valuation techniques used to value financial instruments include:

- (i) Investments in unquoted equity and preference instruments of operational entities are valued by discounting the aggregate future cash flows (both principal and interest cash flows) with risk-adjusted discounting rate.
- (ii) Investments in venture capital funds are valued by use of net asset value certificates from the investee parties.

Notes to Standalone Financial Statements for the year ended 31 March 2023

(All amounts in ₹ lacs, unless otherwise stated)

NOTE - 37 : Financial risk management

The Company is a Non-Banking Financial Company-Non Deposit Taking - Systemically Important (NBFC-ND-SI) registered with the Reserve Bank of India. On account of its business activities it is exposed to various financial risks associated with financial products such as credit or default risk, market risk, interest rate risk, liquidity risk and inflationary risk. However, the Company has a robust financial risk management system in place to identify, evaluate, manage and mitigate various risks associated with its financial products to ensure that desired financial objectives are met. The Company's senior management is responsible for establishing and monitoring the risk management framework within its overall risk management objectives and strategies, as approved by the Board of Directors. Such risk management strategies and objectives are established to identify and analyse potential risks faced by the Company, set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and assess risk management performance. Any change in Company's risk management objectives and policies needs prior approval of its Board of Directors.

(a) Credit risk

This risk is common to all investors who invest in bonds and debt instruments and it refers to a situation where a particular bond issuer is unable to make the expected principal payments, interest rate payments, or both. Similarly, a lender bears the risk that the borrower may default in the payment of contractual interest or principal on its debt obligations, or both. The entity continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

Financial instruments

Risk concentration is minimized by investing in highly rated, investment grade bonds and debt instruments, particularly Government and PSU Bonds which has the least risk of default. The Company lends to borrowers with a good credit score. These investments and loans are reviewed by the Board of Directors on a regular basis.

(b) Market risk:

Market risk is a form of systematic risk associated with the day-to-day fluctuation in the market prices of shares and securities and such market risk affects all securities and investors in the same manner. These daily price fluctuations follows its own broad trends and cycles and are more news and transaction driven rather than fundamentals and many a times, it may affect the returns from an investment. Market risks majorly comprises of two types - interest rate risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risks include borrowings and investments.

Interest rate risk

Interest rate risk is a type of systematic risk that particularly affects fixed rate debt instruments like bonds and debentures. The value of the fixed-rate debt instruments generally decline due to rise in interest rates and vice versa. The rationale is that a bond is a promise of a future stream of payments; an investor will offer less for a bond that pays-out at a rate lower than the rates offered in the current market. A rising interest rate scenario also affects the Company's interest expenditure on borrowed funds.

The Company monitors the interest rate scenarios on a regular basis and accordingly takes investments decisions as whether to invest in fixed rate debt instruments, shares and securities at a particular point of time. Further, the Company's borrowings are short-term in nature and carry a fixed rate of interest and the company is in a position to pass on the rise in interest rates to its borrowers. However, the borrowings of the Company are not significant to the financial statements.

Notes to Standalone Financial Statements for the year ended 31 March 2023

(All amounts in ₹ lacs, unless otherwise stated)

a. Interest bearing investments

Particulars	As at 31 March 2023	As at 31 March 2022
Investments at variable interest rate	2,292.30	2,485.71
Investments at fixed interest rate	65.00	0.00
Total interest bearing investments	2,357.30	2,485.71
Percentage of investments at variable interest rate	97%	100%

b. Borrowings

Particulars	As at 31 March 2023	As at 31 March 2022
Borrowings at variable interest rate	3,000.00	1,000.00
Borrowings at fixed interest rate	22,994.38	18,842.95
Total borrowings	25,994.38	19,842.95
Percentage of borrowings at variable interest rate	11.54%	5.04%

Price risk

Price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. It arises from financial assets such as investments in equity instruments, bonds, mutual funds etc. The Company is exposed to price risk arising mainly from investments carried at fair value through FVTPL or FVOCI which are valued using quoted prices in active markets (level 1 investments). A sensitivity analysis demonstrating the impact of change in market prices of these instruments from the prices existing as at the reporting date is given below:

Particulars	Carrying value as at	
	31 March 2023	31 March 2022
Investments carried at FVTPL or FVOCI valued using quoted prices in active market	21,105.80	14,508.04
Particulars	Sensitivity analysis on total comprehensive income upon fluctuation of market prices	
	Increase by 10%	Decrease by 10%
Impact on total comprehensive income for year ended 31 March 2023	2,110.58	(2,110.58)
Impact on total comprehensive income for year ended 31 March 2022	1,450.80	(1,450.80)

(c) Liquidity risk:

Liquidity refers to the readiness of the Company to sell and realise its financial assets. Liquidity risk is one of the most critical risk factors for Companies which is into the business of investments in shares and securities. It is the risk of not being able to realise the true price of a financial asset, or is not being able to sell the financial asset at all because of non-availability of buyers. Unwillingness to lend or restricted lending by Banks and Financial Institutions may also lead to liquidity concerns for the entities.

The Company maintains a well-diversified portfolio of investments in shares and securities which are saleable at any given point of time. A dedicated team of market experts are monitoring the markets on a continuous basis, which advises the management for timely purchase or sale of securities. The Company is currently having a mix of both short-term and long-term investments. The management ensures to manage its cash flows and asset liability patterns to ensure that the financial obligations are satisfied in timely manner.

The following table shows the remaining contractual maturities of financial liabilities at the reporting date. The amounts reported are on gross and undiscounted basis.

Notes to Standalone Financial Statements for the year ended 31 March 2023

(All amounts in ₹ lacs, unless otherwise stated)

Particulars	Less than 1 year	Between 1 to 5 years	Over 5 years	Total
As at 31 March 2023				
Borrowings (other than debt securities)	17,263.90	8,730.48	-	25,994.37
Other financial liabilities	462.69	-	-	462.69
	17,726.59	8,730.48	-	26,457.06
As at 31 March 2022				
Borrowings (other than debt securities)	11,240.36	8,602.59	-	19,842.95
Other financial liabilities	158.96	-	-	158.96
	11,399.32	8,602.59	-	20,001.91

(d) Inflationary risk:

Inflationary or purchasing power risk refers to the variation in investor returns caused by inflation. It is the risk that results in increase of the prices of goods and services which results in decrease of purchasing power of money, and likely negatively impact the value of investments. The two important sources of inflation are rising costs of production and excess demand for goods and services in relation to their supply. Inflation and interest rate risks are closely related as interest rates generally go up with inflation.

The Company closely monitors the inflation data and analyses the reasons for wide fluctuations thereof and its effect on various sectors and businesses. The main objective is to avoid inflationary risk and accordingly invest in securities and debt instruments that provides higher returns as compared to the inflation in long-term..

NOTE - 38 : Capital management

For the purpose of Company's capital management, capital includes issued equity share capital, other equity reserves and borrowed capital less cash and cash equivalents. The primary objective of capital management is to maintain an efficient capital structure to reduce the cost of capital, support corporate expansion strategies and to maximize shareholder's value.

The entity manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the entity may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The entity monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The entity's policy is to keep an optimum gearing ratio. The entity includes within net debt, interest bearing loans and borrowings less cash and cash equivalents.

Following table summarizes the capital structure of the Company.

Particulars	As at 31 March 2023	As at 31 March 2022
Borrowings	25,994.38	19,842.95
Less: Cash and cash equivalents (including other bank balances)	262.01	663.11
Adjusted net debt	25,732.37	19,179.84
Total equity (*)	70,191.88	68,936.42
Net debt to equity ratio	0.37	0.28

(*) Equity includes capital and all reserves of the Company that are managed as capital.

(vi) Particulars

Particulars	As at 31 March 2023	As at 31 March 2022
Liquidity Coverage Ratio	240.86%	102.79%

(vii) Institutional set-up for Liquidity Risk Management

The Board of Directors of the Company has an overall responsibility and oversight for the management of all the risks, including liquidity risk, to which the Company is exposed to in the course of conducting its business. The Board approves the governance structure, policies, strategy and the risk limits for the management of liquidity risk. The Board of Directors approves the constitution of the Risk Management Committee (RMC) for the effective supervision, evaluation, monitoring and review of various aspects and types of risks, including liquidity risk, faced by the Company. The meetings of RMC are held at quarterly interval. Further, the Board of Directors also approves constitution of Asset Liability Committee (ALCO), which functions as the strategic decision-making body for the asset-liability management of the Company from risk-return perspective and within the risk appetite and guard-rails approved by the Board. The main objective of ALCO is to assist the Board and RMC in effective discharge of the responsibilities of asset liability management, market risk management, liquidity and interest rate risk management and also to ensure adherence to risk tolerance/limits set up by the Board. ALCO provides guidance and directions in terms of interest rate, liquidity, funding sources, and investment of surplus funds. ALCO meetings are held once in a Quarterly or more frequently as warranted from time to time. The minutes of ALCO meetings are placed before the RMC and the Board of Directors in its next meeting for its perusal/ approval/ ratification.

NOTE - 42 : RBI moratorium & restructuring

No restructuring of loans/ borrowings has been taken place during the current year and previous year

Consolidated Financial Statements

Independent Auditor's Report

To the Members of

Placid Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Placid Limited (hereinafter referred to as 'the Holding Company') CIN - U74140WB1946PLC014233, its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group') and its Associates, which comprise the consolidated Balance Sheet as at 31 March 2023, the consolidated Statement of Profit and Loss, including other comprehensive income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries and associates, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associates as at March 31, 2023 and their consolidated profit, their consolidated total comprehensive income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the audit of the consolidated financial statements' section of our report. We are independent of the Group and its associates in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained together with the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph of the Other Matters section below, is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiaries and associates, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there is no key audit matter to communicate in our report.

Information Other than the Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Independent Auditor's Report

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the consolidated financial statements

The accompanying consolidated financial statements have been approved by the Holding Company's Board of Directors. The Holding Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its associates in accordance with the Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. Those respective Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the Group and of its associates.

Auditor's responsibilities for the audit of the consolidated Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.

Independent Auditor's Report

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information/financial statements of the entities or business activities within the Group and its associates, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the financial statements of which we are the independent auditors. For the other entities included in the financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other matter

We did not audit the annual financial statements of 6 subsidiaries, whose financial statements reflect total assets of Rs 175775.73 Lacs -as at March 31, 2023, total revenues (including other income)of Rs. 64271.98 Lacs , total comprehensive income of Rs. 1681.99 Lacs and and net cash flow of Rs. 3365.96 Lacs for the year ended on that date as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit after tax of Rs. 1176.79 Lacs and total comprehensive income of Rs. 1142.58 Lacs for the year ended 31st March, 2023, in respect of 6 associates whose financial statements have not been audited by us .

These financial statements have been audited by other auditors whose audit reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, are based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory requirements below, are not modified in respect of the above matter with respect to our reliance on the financial statements/ financial information certified by the management.

Independent Auditor's Report

Report on other legal and regulatory requirements

As required by section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements and other financial information of the subsidiaries and associates, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors;
- (c) The Consolidated financial statements dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standard)Rules;
- (e) on the basis of the written representations received from the directors of the Holding Company ,its subsidiary companies and associate companies and taken on record by the Board of Directors of the Holding Company , its subsidiary companies and associate companies and the reports of the statutory auditors of its subsidiary companies and associate companies covered under the Act, none of the directors of the Group companies and its associate companies covered under the Act, are disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164(2) of the Act;
- (f) with respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies and its associate companies covered under the Act, and the operating effectiveness of such controls, refer to our separate report in "Annexure 1" wherein we have expressed an unmodified opinion; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries and associates
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group .
 - ii. The Holding Company, its subsidiary companies and associate companies did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2023.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies and associate companies during the year ended 31 March 2023.
 - iv) (a) The respective Management, has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Group or its associate companies to or in any person(s) or entity (ies), including foreign entities (" the Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons

or entities identified in any manner whatsoever by or on behalf of the Group or its associate companies (“ the Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The Managements has represented that, to the best of its knowledge and belief, no funds have been received by the Group or its associate companies from any person(s) or entity (ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Group or its associate companies shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our attention that causes us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- v) Neither the Group nor the associate companies declared or paid any dividend during the year.
2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor’s Report) Order, 2020 (the “Order”/ “CARO”) issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor’s report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiaries and associates included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

Annexure – 1 to Auditors’ Report

Report on the internal financial controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of the consolidated financial statements of PLACID LIMITED (“the Holding Company”) CIN No. - U74140WB1946PLC014233 and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”) and its associates, as at and for the year ended 31 March 2023, we have audited the internal financial controls over financial reporting (IFCoFR) with reference to financial statements of the Holding Company, its subsidiary companies and its associate companies, which are companies covered under the Act, as at that date.

Responsibility of Management and Those Charged with Governance for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary companies and its associate companies, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act

Auditors’ Responsibility

Our responsibility is to express an opinion with reference to financial statements of the Holding Company, its subsidiary companies and its associate companies, on IFCoFR based on our audit. We conducted our audit in accordance with the Guidance note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') and Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies and its associate companies as aforesaid.

Meaning of Internal Financial Controls over Financial Reporting

A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any

Annexure – 1 to Auditors' Report

evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and based on the consideration of the reports of the other auditors on internal financial controls with reference to financial statements of the subsidiary companies and associate companies, the Holding Company, its subsidiary companies and its associate companies, which are companies covered under the Act, have in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2023, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

We did not audit the internal financial controls with reference to financial statements of 6(six) subsidiaries, whose financial statements reflect total assets of Rs 175775.73 Lacs -as at March 31, 2023, total revenues (including other income)of Rs. 64271.98 Lacs , total comprehensive income of Rs. 1681.99 Lacs and and net cash flow of Rs. 3365.96 Lacs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit after tax of Rs. 1176.79 Lacs and total comprehensive income of Rs. 1142.58 Lacs for the year ended 31st March 2022, in respect of 6 (six) associates, whose annual financial statements have not been audited by us. The internal financial controls with reference to financial statements in so far as it relates to such subsidiary companies and associate companies have been audited by other auditors whose reports have been furnished to us by the management and our report on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements for the Holding Company, its subsidiary companies and its associate companies as aforesaid, under Section 143(3)(i) of the Act in so far as it relates to such subsidiary companies and associate companies is based solely on the reports of the auditors of such companies. Our opinion is not modified in respect of this matter with respect to our reliance on the work done by and on the reports of the other auditors.

Our opinion is not modified in respect of the above matters.

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

(b) Basis of preparation of consolidated financial statements

These Consolidated financial statements has been prepared in accordance with Indian Accounting Standards notified under section 133 of the Companies Act 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 (as amended) ('Ind AS').

These consolidated financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these consolidated financial statements.

(c) Basis of consolidation

Subsidiaries

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries. Control is achieved when the company has:

- Power over the investee
- Is exposed or has rights to variable returns from its involvement with the investee, and
- Has the ability to use its power over the investee to affect its returns."

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Company has less than a majority of the voting or similar rights of an investee, the Company considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee;
- Right arising from other contractual arrangements;
- The Company's voting rights and potential voting rights
- The size of the Company's holding of voting rights relative to the size and dispersion of the holdings of the other voting right holders.

The Parent Company re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Parent Company obtains control over the subsidiary and ceases when the Parent Company loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Parent Company gains control until the date the Parent Company ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Parent company, i.e., year ended on 31 March. When the end of the reporting period of the Parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the Parent to enable the Parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

Associates

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies. The considerations made in determining whether significant influence or joint control are similar to those necessary to determine control over the subsidiaries.

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

The Group's investments in its associate is accounted for using the equity method. Under the equity method, the investment in an associate is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the associate since the acquisition date. Goodwill relating to the associate is included in the carrying amount of the investment and is not tested for impairment individually.

The Statement of Profit and Loss reflects the Group's share of the results of operations of the associate. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the associate, the Group recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Group and the associate are eliminated to the extent of the interest in the associate.

If the Group's share of losses of an associate exceeds its interest in that associate (which includes any long-term interest that, in substance, form part of the Group's net investment in the associate), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate. If the associate subsequently reports profits, the Group resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognized.

After application of the equity method, the Group determines whether it is necessary to recognise an impairment loss on its investment in its associate. At each reporting date, the Group determines whether there is objective evidence that the investment in the associate is impaired. If there is such evidence, the Group calculates the amount of impairment as the difference between the recoverable amount of the associate and its carrying value, and then recognises the loss as Share of profit of an associate in the consolidated Statement of Profit or Loss.

Upon loss of significant influence over an associate, the Group measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate upon loss of significant influence or joint control and the fair value of the retained investment and proceeds from disposal is recognised in the statement of profit or loss.

Consolidation procedure:

The consolidated financial statements of the Parent Company and its subsidiaries have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intragroup transactions and the unrealised profits/losses, unless cost/revenue cannot be recovered.

Offset (eliminate) the carrying amount of the Parent's investment in each subsidiary and the Parent's portion of equity of each subsidiary.

Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and property, plant and equipments, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the Company and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

(d) Presentation of consolidated financial statements

The Group presents its balance sheet in order of liquidity.

Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business.
- The event of default.
- The event of insolvency or bankruptcy of the Company and/or its counterparties.

(e) Significant accounting judgements, estimates and assumptions

The preparation of these consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities, and the accompanying disclosures, as well as the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Business model assessment

Classification and measurement of financial assets depends on the results of the SPPI and the business model test. The Group determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Group monitors financial assets measured at amortised cost or fair value through other comprehensive income that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Group's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets

Fair value of financial instruments

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values. Judgements and estimates include considerations of liquidity and model inputs related to items such as credit risk (both own and counterparty), funding value adjustments, correlation and volatility.

Provisions and other contingent liabilities

The Group operates in a regulatory and legal environment that, by nature, has a heightened element of litigation risk inherent to its operations. As a result, it is involved in various litigation, arbitration and regulatory investigations and proceedings in the ordinary course of the Group's business. When the Group can reliably measure the outflow of economic benefits in relation to a specific case and considers such outflows to be probable, the Group records a provision against the case. Where the probability of outflow is considered to be remote, or probable, but a reliable estimate cannot be made, a contingent liability is disclosed. Given the subjectivity and uncertainty of determining the probability and amount of losses, the Group takes into account a number of factors including legal advice, the stage of the matter and historical evidence from similar incidents. Significant judgement is required to conclude on these estimates.

2 Significant accounting policies

2.01 Revenue recognition

Revenue (other than for those items to which Ind AS 109 Financial Instruments are applicable) is measured at fair value of the consideration received or receivable. Ind AS 115 Revenue from contracts with customers outlines

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

a single comprehensive model of accounting for revenue arising from contracts with customers and supersedes current revenue recognition guidance found within Ind ASs.

The Group recognises revenue from contracts with customers based on a five step model as set out in Ind 115:

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Group allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Group expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the Group satisfies a performance obligation.

Interest income (Effective interest rate method)

Under Ind AS 109 interest income is recorded using the effective interest rate (EIR) method for all financial instruments measured at amortised cost, debt instrument measured at FVOCI and debt instruments designated at FVTPL. The EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument or, when appropriate, a shorter period, to the net carrying amount of the financial asset. The EIR (and therefore, the amortised cost of the asset) is calculated by taking into account any discount or premium on acquisition, fees and costs that are an integral part of the EIR. The Group recognises interest income using a rate of return that represents the best estimate of a constant rate of return over the expected life of the loan. Hence, it recognises the effect of potentially different interest rates charged at various stages, and other characteristics of the product life cycle (including prepayments, penalty interest and charges). If expectations regarding the cash flows on the financial asset are revised for reasons other than credit risk. The adjustment is booked as a positive or negative adjustment to the carrying amount of the asset in the balance sheet with an increase or reduction in interest income. The adjustment is subsequently amortised through interest income in the statement of profit and loss.

The Group calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. When a financial asset becomes credit-impaired and is, therefore, regarded as 'Stage 3', the Group calculates interest income by applying the effective interest rate to the net amortised cost of the financial asset. If the financial assets cures and is no longer credit-impaired, the Group reverts to calculating interest income on a gross basis. For purchased or originated credit-impaired (POCI) financial assets, the Group calculates interest income by calculating the credit-adjusted EIR and applying that rate to the amortised cost of the asset. The credit-adjusted EIR is the interest rate that, at original recognition, discounts the estimated future cash flows (including credit losses) to the amortised cost of the POCI assets. Interest income on all trading assets and financial assets mandatorily required to be measured at FVTPL is recognised using the contractual interest rate in net gain on fair value changes.

Dividend income

Dividend income (including from FVOCI investments) is recognised when the Group's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably. This is generally when the shareholders approve the dividend.

Assets held for sale

Trading income includes all gains and losses from changes in fair value and the related interest income or expense and dividends, for financial assets and financial liabilities held for trading.

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

Sale of goods

Revenue from sale of goods is recognized when the Group transfers all significant risks and rewards of ownership to the buyer, while the Group retains neither continuing managerial involvement nor effective control over the goods sold.

Rendering of services

Revenue from services is recognized over time by measuring progress towards satisfaction of performance obligation for the services rendered.

2.02 Financial instruments

Point of recognition

Financial assets and liabilities, with the exception of loans, debt securities, deposits and borrowings are initially recognised on the trade date, i.e., the date that the Group becomes a party to the contractual provisions of the instrument. This includes regular way trades: purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the market place. Loans are recognised when funds are transferred to the customers' account. The Group recognises debt securities, deposits and borrowings when funds reach the Group.

Initial recognition

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments, as per the principles of the Ind AS. Financial instruments are initially measured at their fair value, except in the case of financial assets and financial liabilities recorded at FVTPL, transaction costs are added to, or subtracted from, this amount. Trade receivables are measured at the transaction price. When the fair value of financial instruments at initial recognition differs from the transaction price, the Group accounts for the same, as mentioned below:

When the transaction price of the instrument differs from the fair value at origination and the fair value is based on a valuation technique using only inputs observable in market transactions, the Group recognises the difference between the transaction price and fair value in net gain on fair value changes. In those cases where fair value is based on models for which some of the inputs are not observable, the difference between the transaction price and the fair value is deferred and is only recognised in profit or loss when the inputs become observable, or when the instrument is derecognised.

Subsequent measurement of financial liabilities

All financial liabilities of the Group are subsequently measured at amortized cost using the effective interest method. Under the effective interest method, the future cash payments are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial liability over the relevant period of the financial liability to arrive at the amortized cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognized as interest expense over the relevant period of the financial liability. The same is included under finance cost in the Statement of Profit and Loss.

Subsequent measurement of financial assets

For subsequent measurement, the Group classifies a financial asset in accordance with the below criteria:

- i. The Group's business model for managing the financial asset; and
- ii. The contractual cash flow characteristics of the financial asset.

Based on the above criteria, the Group classifies its financial assets into the following categories:

- (a) Financial assets measured at amortized cost
- (b) Financial assets measured at fair value through other comprehensive income (FVTOCI)
- (c) Financial assets measured at fair value through profit or loss (FVTPL)

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

(a) Financial assets measured at amortized cost:

A Financial asset is measured at the amortized cost if both the following conditions are met:

- (i) The Group's business model objective for managing the financial asset is to hold financial assets in order to collect contractual cash flows; and
- (ii) The contractual terms of the Financial asset give rise on specified dates to cash Flows that are solely payments of principal and interest on the principal amount outstanding.

This category applies to cash and cash equivalents and other bank balances, trade receivables, loans and other financial assets of the Group. Such financial assets are subsequently measured at amortized cost using the effective interest method. Under the effective interest method, the future cash receipts are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial asset over the relevant period of the financial asset to arrive at the amortized cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognized as interest income over the relevant period of the financial asset. The same is included under other income in the Statement of Profit and Loss. The amortized cost of a financial asset is also adjusted for loss allowance, if any.

(b) Financial assets measured at FVTOCI:

A financial asset is measured at FVTOCI if both of the following conditions are met:

- (i) The Group's business model objective for managing the financial asset is achieved both by collecting contractual cash flows and selling the financial assets; and
- (ii) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

This category applies to certain investments in debt and equity instruments. Such financial assets are subsequently measured at fair value at each reporting date. Fair value changes are recognized in the Statement of profit and loss under 'Other Comprehensive Income (OCI)'. However, the Group recognizes interest income and impairment losses and its reversals in the Statement of Profit and Loss. On de-recognition of such financial assets, cumulative gain or loss previously recognized in OCI is reclassified from equity to the Statement of Profit and Loss, except for instruments which the Group has irrevocably elected to be classified as equity through OCI at initial recognition, when such instruments meet the definition of definition of Equity under Ind AS 32 Financial Instruments: Presentation and they are not held for trading. The Group has made such election on an instrument by instrument basis.

Gains and losses on these equity instruments are never recycled to profit or loss. Dividends are recognised in the statement of profit or loss as dividend income when the right of the payment has been established, except when the Group benefits from such proceeds as a recovery of part of the cost of the instrument, in which case, such gains are recorded in OCI. Equity instruments at FVOCI are not subject to an impairment assessment.

(c) Financial assets measured at FVTPL:

A financial asset is measured at FVTPL unless it is measured at amortized cost or at FVTOCI as explained above. This is a residual category applied to all other investments of the Group excluding investments in subsidiary and associate companies. Such financial assets are subsequently measured at fair value at each reporting date. Fair value changes are recognized in the Statement of Profit and Loss.

Financial assets held for sale:

The Group classifies financial assets as held for trading when they have been purchased or issued primarily for short-term profit making through trading activities or form part of a portfolio of financial instruments that are managed together, for which there is evidence of a recent pattern of short-term profit taking. Held-for-trading assets and liabilities are recorded and measured in the balance sheet at fair value. Changes in fair value are recognised in net gain on fair value changes.

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

Interest and dividend income or expense is recorded in net gain on fair value changes according to the terms of the contract, or when the right to payment has been established. Included in this classification are debt securities, equities, and customer loans that have been acquired principally for the purpose of selling or repurchasing in the near term.

De-recognition:

(a) Financial asset:

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized (i.e. removed from the Group's balance sheet) when any of the following occurs:

- i. The contractual rights to cash flows from the financial asset expires;
- ii. The Group transfers its contractual rights to receive cash flows of the financial asset and has substantially transferred all the risks and rewards of ownership of the financial asset. A regular way purchase or sale of financial assets has been derecognised, as applicable, using trade date accounting.
- iii. The Group retains the contractual rights to receive cash flows but assumes a contractual obligation to pay the cash flows without material delay to one or more recipients under a 'pass-through' arrangement (thereby substantially transferring all the risks and rewards of ownership of the financial asset);
- iv. The Group neither transfers nor retains substantially all risk and rewards of ownership and does not retain control over the financial asset.

In cases where Group has neither transferred nor retained substantially all of the risks and rewards of the Financial asset, but retains control of the financial asset, the Group continues to recognize such financial asset to the extent of its continuing involvement in the financial asset. In that case, the Group also recognizes an associated liability. The financial asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

On de-recognition of a financial asset, (except as mentioned in ii above for financial assets measured at FVTOCI), the difference between the carrying amount and the consideration received is recognized in the Statement of Profit and Loss.

(b) Financial liability:

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. The difference between the carrying value of the original financial liability and the consideration paid is recognised in profit or loss.

Impairment of financial assets:

In accordance with Ind AS 109, the Group applies expected credit loss ('ECL') model for measurement and recognition of impairment loss for financial assets. ECL is the weighted-average of difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Group is required to consider:

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables

In respect of trade receivables, the Group applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

Other financial assets:

In respect of its other financial assets, the Group assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Group measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Group uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Group compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Group assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

2.03 Fair value measurement

The Group measures its financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

- Level 1 (unadjusted) - Those where the inputs used in the valuation are unadjusted quoted prices from active markets for identical assets or liabilities that the Group has access to at the measurement date. The Group considers markets as active only if there are sufficient trading activities with regards to the volume and liquidity of the identical assets or liabilities and when there are binding and exercisable price quotes available on the balance sheet date.

- Level 2 - Those where the inputs that are used for valuation and are significant, are derived from directly or indirectly observable market data available over the entire period of the instrument's life. Such inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical instruments in inactive markets and observable inputs other than quoted prices such as interest rates and yield curves, implied volatilities, and credit spreads. In addition, adjustments may be required for the condition or location of the asset or the extent to which it relates to items that are comparable to the valued instrument. However, if such adjustments are based on unobservable inputs which are significant to the entire measurement, the Group will classify the instruments as Level 3.

- Level 3 - Those that include one or more unobservable input that is significant to the measurement as whole.

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

2.04 Income Taxes

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

Tax expense is the aggregate amount included in the determination of profit or loss for the period in respect of current tax and deferred tax.

Current tax

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income tax Act, 1961. Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit under Income tax Act, 1961.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized. Also, for temporary differences if any that may arise from initial recognition of goodwill, deferred tax liabilities are not recognized.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefits of part or all of such deferred tax assets to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

The Group has not recognised a deferred tax liability for all taxable temporary differences associated with investments in subsidiaries and associates, and interests in joint arrangements, except to the extent that both of the following conditions are satisfied:

- the parent, investor, joint venture or joint operator is able to control the timing of the reversal of the temporary difference; and
- it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Presentation of current and deferred tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/expense are recognized in Other Comprehensive Income. The Group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Group has a legally enforceable

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Group.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Group will pay normal income tax during the specified period. Further, the MAT credit is not set-off against the deferred tax liabilities, since the Group does not have a legally enforceable right to set-off.

2.05 Provisions and contingencies

The Group recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

2.06 Cash and cash equivalents

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments.

2.07 Employee Benefits

Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and they are recognized in the period in which the employee renders the related service. The Group recognizes the undiscounted amount of short-term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

Post-employment benefits

(i) Defined contribution plans

Defined contribution plans are employee state insurance scheme and Government administered pension fund scheme for all applicable employees.

Recognition and measurement of defined contribution plans:

The Group recognizes contribution payable to a defined contribution plan as an expense in the Statement of Profit and Loss when the employees render services to the Group during the reporting period. If the contributions payable for services received from employees before the reporting date exceeds the contributions already paid, the deficit payable is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the reporting date, the excess is recognized as an asset to the extent that the prepayment will lead to, for example, a reduction in future payments or a cash refund.

(ii) Defined benefits plans

Gratuity scheme:

Gratuity is a post employment benefit and is a defined benefit plan. The cost of providing defined benefits is determined using the Projected Unit Credit method with actuarial valuations being carried out at each reporting date. The defined benefit obligations recognized in the Balance Sheet represent the present value of the defined benefit obligations as reduced by the fair value of plan assets, if any. Any defined benefit asset

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

(negative defined benefit obligations resulting from this calculation) is recognized representing the present value of available refunds and reductions in future contributions to the plan.

Recognition and measurement of defined benefit plans

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability / (asset) are recognized in the Statement of Profit and Loss. Remeasurements of the net defined benefit liability / (asset) comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liability/asset), are recognized in Other Comprehensive Income. Such remeasurements are not reclassified to the Statement of Profit and Loss in the subsequent periods.

The Group does not presents the above liability/(asset) as current and non-current in the Balance Sheet as per the principles of Division III financial statements as per the MCA notification dated 11 October 2018.

Other employee benefits:

Entitlements to compensated absences are recognized as and when they accrue to employees and they are considered to be a financial liability, since the accumulated leaves can be encashed at the end of every year.

2.08 Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized, if any. All other borrowing costs are expensed in the period in which they occur.

2.09 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Group. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Group.

2.10 Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

2.11 Property, plant & equipment

Measurement at recognition

An item of property, plant and equipment that qualifies as an asset is measured on initial recognition at cost. Following initial recognition, items of property, plant and equipment are carried at its cost less accumulated depreciation and accumulated impairment losses.

The cost of an item of property, plant and equipment comprises of its purchase price including import duties and other non-refundable purchase taxes or levies, directly attributable cost of bringing the asset to its working condition for its intended use and the initial estimate of decommissioning, restoration and similar liabilities, if any. Any trade discounts and rebates are deducted in arriving at the purchase price. Cost includes cost of replacing a part of a plant and equipment if the recognition criteria are met. Items such as spare parts, stand-by equipment and servicing equipment that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Costs in nature of repairs and maintenance are recognized in the Statement of Profit and Loss as and when incurred.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

Capital work-in-progress and capital advances:

Cost of assets not ready for intended use, as on the balance sheet date, is shown as capital work-in-progress. Advances given towards acquisition of fixed assets outstanding at each balance sheet date are disclosed as other non-financial assets.

Depreciation

Depreciation on each part of an item of property, plant and equipment is provided using the written down value method based on the useful life of the asset as prescribed in Schedule II to the Act .Except in case of the following:-

- (i) Four Step down subsidiaries where the depreciation has been provided on Straight Line method on Plant & Equipment being Solar Power Plant & on wind mill.
- (ii) one step down subsidiary where depreciation has been charged on SLM Basis on Building, Plant and Equipment and Electric Equipment.
- (iii) one Subsidiary where Depreciation on all Assets is provided on straight line method .
- (iv) one Associate where Depreciation is provided on straight line method .

Depreciation is calculated on a pro-rata basis from the date of installation till date the assets are sold or disposed.

De-recognition

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the de-recognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss when the item is derecognized.

2.12 Impairment of non-financial assets

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Group estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

2.13 Trade receivables

The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises

Summary of significant accounting policies and other explanatory information

(All Amounts in Rs. lacs, unless otherwise stated)

impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Group uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated for changes in the forward-looking estimates.

2.14 Share based payments

The Group has equity-settled share-based remuneration plans for its employees. None of the plans are cash-settled. Where employees are rewarded using share-based payments, the fair value of employees' services is determined indirectly by reference to the fair value of the equity instruments granted. This fair value is appraised at the grant date and excludes the impact of non-market vesting conditions (for example profitability and sales growth targets and performance conditions).

All share-based remuneration is ultimately recognised as an expense in the statement of profit or loss with a corresponding credit to equity. If vesting periods or other vesting conditions apply, the expense is allocated over the vesting period, based on the best available estimate of the number of share options expected to vest.

Upon exercise of share options, the proceeds received, net of any directly attributable transaction costs, are allocated to share capital up to the nominal (or par) value of the shares issued with any excess being recorded as securities premium.

2.15 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted-average number of equity shares outstanding during the period. The weighted-average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted-average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Investment in Placid Limited in Plot of Land at Jaipur worth ₹ 500.51 Lacs is yet to be registered in the name of the company.

Land of Maharaja Shree Umaid Mills includes land Rs. 0.91 Lakhs (Previous year Rs. 0.91 Lakhs) at Kota for which government has initiated steps for taking over a part of the land. The Company has challenged the acquisition and its petition is pending before the Hon'ble High Court of Rajasthan. During the financial year 2022-23, the Company has received a cheque, under a court directive, towards compensation of Rs 70.29 lakhs (gross of TDS) u/s 30 (2) of Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 from Karyalaya Nagar Vikas Nyas, Kota against acquisition of Company's land admeasuring 0.12 hectare in khasra number 80 in village Bhadana, district - Kota. The Company has challenged adequacy of the amount payable to it for this acquisition and the matter is still pending before Hon'ble Rajasthan High Court for adjudication. However, the Company has given accounting treatment of the compensation amount already received in the financial statements according to applicable accounting standard and further accounting shall be done as and when any further amount may be received in this sub-judice matter. The Company has removed the said portion of land from its fixed assets schedule.

(a) Description of nature and purpose of each reserve:**Retained Earnings**

Retained earnings are the profits that has been earned till date, less any transfer to general reserves, dividends and other distributions made to the shareholders.

Securities premium

This Reserve represents premium received on issue of shares and can be utilized in accordance with the provisions of the Companies Act.

General Reserve

General reserve is created from time to time by way of transfer profits from retained earnings for appropriation purposes. General reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

Statutory Reserve

It is required to create a reserve in accordance with the provisions of Section 45IC of the Reserve Bank of India Act, 1934. Accordingly 20% of the profits after tax for the year is transferred by the Company to this reserve at the end of every reporting period.

Share capital cancellation reserve & Capital Redemption Reserve

These reserves had been created on merger of varios companies on different dates

Stock option outstanding account

The account is used to recognise the grant date value of options issued to employees under Employee stock option plan and adjusted as and when such options are exercised or otherwise expire.

Other comprehensive income

This represents the cumulative gains and losses arising on the revaluation of equity instruments measured at fair value through other comprehensive income, under an irrevocable option, net of amounts reclassified to retained earnings when such assets are disposed off, if any. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised directly in other comprehensive income.

(a) Defined benefits plans - Gratuity (unfunded)

Gratuity plan is a defined benefit plan that provides for lump sum gratuity payment to employees made at the time of their exit by the way of retirement (on superannuation or otherwise), death or disability. The benefits are defined on the basis of their final salary and period of service and such benefits paid under the plan is not subject to the ceiling limit specified in the Payment of Gratuity Act, 1972. Liability as on the Balance Sheet date is provided based on actuarial valuation done by a certified actuary using projected unit credit method.

Aforesaid defined benefit plans typically expose the Group to actuarial risks such as pay as you go risk, salary risk, investment risk and longevity risk.

Notes to Consolidated Financial Statements for the year ended 31 March 2023

(All amounts in ₹ lacs, unless otherwise stated)

Pay as you go risk	For unfunded schemes, financial planning could be difficult as the benefits payable will directly affect the revenue and this could be widely fluctuating from year to year. Moreover there may be an opportunity cost of better investment returns affecting adversely the cost of the scheme.
Salary risk	The present value of the defined benefit liability is calculated by reference to the future salaries of plan participants. As such, an increase in salary of the plan participants will increase the plan's liability.
Investment risk	The present value of the defined benefit liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.
Longevity risk	The present value of the defined benefit liability is calculated by reference to the best estimate of the mortality plan of the participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

The following tables summarise the components of defined benefit expense recognised in the statement of profit or loss/OCI and amounts recognised in the Balance Sheet for the respective plans:

	Year ended 31 March 2023	Year ended 31 March 2022
(i) Change in projected benefit obligation		
Projected benefit obligation at the beginning of the year	195.19	162.15
Current service cost	85.46	82.72
Interest cost	47.85	40.41
Interest Income	(34.03)	(29.53)
Past Service Cost	-	-
Actuarial (gain)/loss arising from assumption changes	4.71	1.94
Actuarial (gain)/loss arising from experience adjustments and on Plan assets	13.79	5.15
Benefits Paid	(75.02)	(67.66)
Projected benefit obligation at the end of the year	237.94	195.19
(ii) Components of net cost charged to the Statement of Profit and Loss		
Employee benefits expense:		
- Current service costs	23.21	24.04
- Past Service Cost	-	-
- Defined benefit costs recognized Statement of Profit and Loss	(0.53)	-
Finance costs	-	-

(iv) (II) Key actuarial assumptions		
Discount rate	7.17% - 7.26%	6.56% - 6.90%
Salary growth rate	8.00%	8.00%
Average remaining working life (in years)	13.37	13.37
Retirement age	58 Years	58 Years

	As at 31 March 2023	As at 31 March 2022
Mortality rate:	02% - 08%	02% - 08%
(v) Sensitivity analysis		
A quantitative sensitivity analysis for significant assumption is as shown below:		
DBO with discount rate + 1%	111.00	95.51
DBO with discount rate - 1%	163.99	147.06
DBO with + 1% salary escalation	164.06	147.14
DBO with - 1% salary escalation	110.48	94.93
DBO with + 50% withdrawal rate	133.08	116.22
DBO with - 50% withdrawal rate	137.99	122.54
DBO with + 10% mortality rate	135.18	119.05
DBO with - 10% mortality rate	135.68	119.53

Methods and assumptions used in preparing sensitivity analysis and their limitations:

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the Balance Sheet. Sensitivities due to mortality and withdrawals are insignificant, hence ignored by Maharaja shree Umaid mills Limited.

Bank Guarantees has been given by the Bank for third parties amounting to Rs.1983.70 lakhs (P.Y. Rs. 189.83 lakhs).

c) Contingent liabilities (not provided for) in respect of Maharaja Shree Umaid Mills Ltd.(MSUM)	As at 31 March 2023	As at 31 March 2022
labour & industrial matters, except for which the liability is unascertainable	7.11	7.11
Income-tax matters*	1,410.53	1,410.53
Demand raised by VAT / Sales-tax Department for various matters	2,721.87	2,541.65
Electricity duty and Other Cess, etc.	1,126.54	1,082.34

* Taxes related to financial year 2010-11 (assessment year 2011-12) amounting to Rs.1132 (included above) (previous year Rs.1132) are disputed before the appropriate authorities. Out of this an amount of Rs.685 lacs pertains to erstwhile Investment Division since demerged and forms part of Kiran Vyapar Limited. In the event the final outcome of the same is adverse, the tax demand will be recoverable from Kiran Vyapar Limited in accordance with the Scheme of arrangement sanctioned by the Hon'ble High Court at Calcutta.

Note: Pending resolution of the respective proceedings, it is not practicable for MSUM to estimate the timings of cash outflows, if any, in respect of the above as it is determinable only on receipt of judgments/ decisions pending with various forums/ authorities. However, MSUM has reviewed all its pending litigation and proceeding and has adequately provided for where provision required and disclosed as contingent liabilities where applicable, in its financial statements. MSUM does not expect the outcome of these proceeding to have a materially adverse effect on its financial position. MSUM does not expects any payment in respect of the above contingent liabilities.

In light of recent judgment of Honorable Supreme Court dated 28, February 2019 on the definition of "Basic Wages" under the Employees Provident Funds & Misc. Provisions Act, 1952 and based on MSUM's evaluation, there are significant uncertainties and numerous interpretative issues relating to the judgement and hence, it is unclear as to whether the clarified definition of Basic Wages would be applicable prospectively or retrospectively. The amount of the obligation therefore cannot be measured with sufficient reliability for past periods and hence has currently been considered to be a contingent liability.

	As at 31 March 2023	As at 31 March 2022
Estimated amount of Contracts remaining to be executed on Capital Account [Net of Advances] not provided for"	72.19	53.99

Maharaja Shree Umaid Mills Ltd. has availed certain government subsidies. As per the terms and conditions, MSUM has to continue production for specified number of years and others conditions failing which amount of subsidies availed alongwith interest, penalty etc. have to be refunded.

Notes to Consolidated Financial Statements for the year ended 31 March 2023

(All amounts in ₹ lacs, unless otherwise stated)

Notes to Consolidated Financial Statements for the year ended 31 March 2023

(All amounts in ₹ lacs, unless otherwise stated)

05-01-2016, 10% of the total built-up area 355.08 sq. meters on the proposed First Floor had been kept as mortgage and the Commissioner of Greater Hyderabad Municipal Corporation had been authorized to dispose mortgaged part of the proposed building by way of sale if any violations are committed by the LLP.

The value of the Mortgaged area at that point of time was 3822.04 sq. feet at the rate of Rs.2,000/- per sq. feet amounting to Rs.76,44,080/-.Further Fixed Deposit with HDFC Bank Limited bearing Account Number 50300230875640 amounting to Rupees 56,700/- was being pledged with Forest Divisional Officer Shamshaba.

The immovable property has been released on 19th October,2022 although the Fixed Deposit with HDFC Bank Limited is yet to be released.

- b) Palimarwar Solar Project Pvt Ltd has entered into Viability Gap Funding Securitization agreement with Solar Energy Corporation of India (SECI) for its Solar Power Project based on Photo Voltaic technology of 10MW capacity at Pokhran, Jaisalmer in the State of Rajasthan. Pursuant to the said agreement the company has become eligible to receive the sanctioned VGF Support amounting to a maximum Rs. 2164 lakhs- on the successful completion of the Project on 13th April, 2015. The company treats these Grants as "" Deferred Income"" which is recognised in the Statement of Profit & Loss on a systematic & rational basis over the useful life of assets. Such allocation to income is made over the periods and in proportions in which depreciation on related asset is charged. The Company has accordingly recognised a sum of Rs. 86.56 lakhs/- as Deferred Income during the year. (Previous year Rs. 86.56 lakhs/-).Palimarwar Solar Project Pvt Ltd has created second charge in favour of SECI on all the solar plant assets and rights relating thereto (including immovable property) on which first charge has been created in favour of Lender, by way of hypothecation/mortgage to securitize the sanctioned VGF Support.
- c) The Management of MSUM has proposed to disposed off certain plant and machineries, accordingly same has been classified as Non Current Assets Held for Sales and carried at estimated net realisable value aggregating Rs. 608.49 Lakh (Previous Year Rs 1051.13 Lakh).
- d) During the year, the Company has transferred machineries having gross block of Rs 90.05 lakhs (Previous year Rs. 699.73 lakhs) which has accumulated depreciation of Rs 58.97 lakhs (Previous year Rs. 273.22 lakhs) from Non Current Assets Held for Sale. Further, the Company has reassessed economic life of these assets to 15 years.
- e) MSUM has reversed input VAT credit based on the prudent-man theory which has been disputed by the sales tax department and therefore, refund of excess VAT Credit was pending. Out of Rs. 2,873.33 lakhs, the Company has received Rs. 1466.49 Lakhs during the previous financial years. This disputed matter is under appeal with Rajasthan Tax Board, Ajmer. Based on legal opinion obtained, management is confident of favorable decision, hence considered this amount good for recovery.
- f) During the year, the LNB Realty LLP and Shidhidata Power LLP both have passed a unanimous resolution on 31.01.2023 for conversion of LLPs into a Private Limited Company(Limited by shares).

46. The figures for the previous periods have been regrouped / rearranged, wherever considered necessary , to confirm current period classifications.

Particulars	Notes	As at 31 March 2023	As at 31 March 2022
NOTE - 50 : Fair value measurement			
(a) Category wise classification of financial instruments			
(A) Financial assets:			
Carried at amortised cost			
Cash and cash equivalents and other bank balances	3&4	7,061.54	5,492.97
Trade receivables	5	8,505.28	8,115.28
Loans	6	30,193.83	18,502.97
Investments	7	53,894.61	52,913.51
Other financial assets	8	8,187.05	4,102.11
		1,07,842.32	89,126.85
Carried at FVTPL			
Investments	7	18,715.66	22,182.86
		18,715.66	22,182.86
Carried at FVTOCI			
Investments	7	24,065.88	22,647.79
		24,065.88	22,647.79
		1,50,623.86	1,33,957.50
(B) Financial liabilities			
Measured at amortised cost			
Trade Payables	12	6,663.17	2,081.76
Borrowings	13	83,453.70	77,255.87
Other financial liabilities	14	8,599.67	4,384.87
		98,716.54	83,722.50

(b) Fair value hierarchy

The fair value of financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced sale or liquidation sale. Methods and assumptions used to estimate the fair values are consistent in all the years. Fair value of financial instruments referred to in note (a) above has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets and liabilities and lowest priority to unobservable entity specific inputs.

Notes to Consolidated Financial Statements for the year ended 31 March 2023

(All amounts in ₹ lacs, unless otherwise stated)

Particulars	As at 31 March 2023	As at 31 March 2022
Level 1 (Quoted prices in active market)		
Financial assets measured at FVTOCI		
Investments in quoted equity instruments	12,905.68	11,190.10
Financial assets measured at FVTPL		
Investments in mutual funds	8,651.54	12,464.88
Investments in Hybrid facility	3,984.88	3,753.78
Investments in bond & debentures	-	-
Level 3 (Significant unobservable inputs)		
Financial assets measured at FVTOCI		
Investments in unquoted equity instruments	9,246.90	9,862.01
Investments in preference instruments	1,407.14	1,107.52
Investment in LLP	506.16	488.16
Financial assets measured at FVTPL		
Investments in venture capital funds	2,292.30	2,485.71
Investments in Sub Hybrid Facility	3,786.93	3,478.49
	42,781.54	44,830.65

(c) Fair value of assets and liabilities measured at cost/amortised cost

The carrying amount of financial assets and financial liabilities measured at amortised cost are a reasonable approximation of their fair values since the Group does not anticipate that the carrying amount would be significantly different from the values that would be eventually received or settled. Management assessed that fair values of cash and cash equivalents, other bank balances, loans, other financial assets and other financial liabilities approximate their carrying amounts of these instruments, as disclosed below:

Name of the Instrument / Product	As at 31 March 2023		As at 31 March 2022	
	Carrying value	Fair value	Carrying value	Fair value
Financial assets				
Cash and cash equivalents and other bank balances	7,061.54	7,061.54	5,492.97	5,492.97
Trade receivables	8,505.28	8,505.28	8,115.28	8,115.28
Loans	30,193.83	30,193.83	18,502.97	18,502.97
Investments	53,894.61	53,894.61	52,913.51	52,913.51
Other financial assets	8,187.05	8,187.05	4,102.11	4,102.11
	1,07,842.32	1,07,842.32	89,126.85	89,126.85
Financial liabilities				
Trade Payables	6,663.17	6,663.17	2,081.76	2,081.76
Borrowings	83,453.70	83,453.70	77,255.87	77,255.87
Other financial liabilities	8,599.67	8,599.67	4,384.87	4,384.87
	98,716.54	98,716.54	83,722.50	83,722.50

(d) Valuation process and technique used to determine fair value for investments valued using significant unobservable inputs (level 3)

Specific valuation techniques used to value financial instruments include:

- (i) Investments in unquoted equity and preference instruments of operational entities are valued by discounting the aggregate future cash flows (both principal and interest cash flows) with risk-adjusted discounting rate.
- (ii) Investments in venture capital funds are valued by use of net asset value certificates from the investee parties.

Notes to Consolidated Financial Statements for the year ended 31 March 2023

(All amounts in ₹ lacs, unless otherwise stated)

51 Financial risk management

The Group is exposed to various financial risks associated with financials products such as credit or default risk, market risk, interest rate risk, liquidity risk and inflationary risk. However, it has a robust financial risk management system in place to identify, evaluate, manage and mitigate various risks associated with its financial products to ensure that desired financial objectives are met. The Group's senior management is responsible for establishing and monitoring the risk management framework within its overall risk management objectives and strategies, as approved by the Board of Directors. Such risk management strategies and objectives are established to identify and analyse potential risks faced by the Group, set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and assess risk management performance. Any change in Group's risk management objectives and policies needs prior approval of it's Board of Directors.

(a) Credit risk

This risk is common to all investors who invest in bonds and debt instruments and it refers to a situation where a particular bond issuer is unable to make the expected principal payments, interest rate payments, or both. Similarly, a lender bears the risk that the borrower may default in the payment of contractual interest or principal on its debt obligations, or both. The Group continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

Financial instruments

Risk concentration is minimized by investing in highly rated, investment grade bonds and debt instruments, particularly Government and PSU Bonds which has the least risk of default. The Group lends to borrowers with a good credit score. These investments and loans are reviewed by the Board of Directors on a regular basis.

The Group has categorised all its financial assets (except for trade receivables from sale of services) at low credit risks unless otherwise stated on account of no past trends of defaults by any parties.

Particulars	Assets covered	Basis of expected credit loss
Low credit risk	Cash and cash equivalents and other bank balances, Loans, Investments, Other financial assets, Trade receivables	Life time expected credit loss or 12 month expected credit loss
Moderate credit risk	Trade receivables	Life time expected credit loss or 12 month expected credit loss
High credit risk	-	-

Financial assets that are exposed to credit risk

Particulars	As at 31 March 2023	As at 31 March 2022
Low credit risk		
Cash and cash equivalents and other bank balances	7,061.54	5,492.98
Trade receivables*	8,120.00	8,120.00
Loans	30,193.83	18,502.97
Investments	53,894.61	52,913.51
Other financial assets	8,187.05	4,102.11

Trade receivables- increase in credit risk	12.44	4.78
Trade receivables-considering doubtful	309.99	321.31
Less: Allowance for credit loss	336.84	330.81
	1,07,442.63	89,126.85

* this represents gross carrying values of financial asset, without netting off impairment loss allowance

Notes to Consolidated Financial Statements for the year ended 31 March 2023

(All amounts in ₹ lacs, unless otherwise stated)

51(a) Expected credit losses for financial assets (except for Loans):**As at 31 March 2023:**

Particulars	Estimated gross carrying amount at default	Expected credit losses	Carrying amount net of impairment provision
Cash and cash equivalents and other bank balances	7,061.54	-	7,061.54
Trade receivables	8,120.00	14.41	8,105.59
Loans	30,193.83	-	30,193.83
Investments	53,894.61	-	53,894.61
Other financial assets	8,187.05	-	8,187.05

As at 31 March 2022:

Particulars	Estimated gross carrying amount at default	Expected credit losses	Carrying amount net of impairment provision
Cash and cash equivalents and other bank balances	5,492.98	-	5,492.98
Trade receivables	8,120.00	4.72	8,115.28
Loans	18,502.97	-	18,502.97
Investments	52,913.51	-	52,913.51
Other financial assets	4,102.11	-	4,102.11

(b) Market risk:

Market risk is a form of systematic risk associated with the day-to-day fluctuation in the market prices of shares and securities and such market risk affects all securities and investors in the same manner. These daily price fluctuations follows its own broad trends and cycles and are more news and transaction driven rather than fundamentals and many a times, it may affect the returns from an investment. Market risks majorly comprises of two types - interest rate risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risks include borrowings and investments.

Interest rate risk

Interest rate risk is a type of systematic risk that particularly affects fixed rate debt instruments like bonds and debentures. The value of the fixed-rate debt instruments generally decline due to rise in interest rates and vice versa. The rationale is that a bond is a promise of a future stream of payments; an investor will offer less for a bond that pays-out at a rate lower than the rates offered in the current market. A rising interest rate scenario also affects the Group's interest expenditure on borrowed funds.

The Group monitors the interest rate scenarios on a regular basis and accordingly takes investments decisions as whether to invest in fixed rate debt instruments, shares and securities at a particular point of time. Further, the Group's borrowings are short-term in nature and the Group is in a position to pass on the rise in interest rates to its borrowers. However, the borrowings of the Group are not significant to the financial statements.

a. Interest bearing investments

Particulars	As at 31 March 2023	As at 31 March 2022
Investments at variable interest rate	2,292.30	2,485.71
Investments at fixed interest rate	832.25	1,436.71
Total interest bearing investments	3,124.56	3,922.42
Percentage of investments at variable interest rate	73.36%	63.37%

Notes to Consolidated Financial Statements for the year ended 31 March 2023

(All amounts in ₹ lacs, unless otherwise stated)

Particulars	Sensitivity analysis on total comprehensive income upon fluctuation of interest rates	
	Increase by 1%	Decrease by 1%
Impact on total comprehensive income for year ended 31 March 2023	22.92	(22.92)
Impact on total comprehensive income for year ended 31 March 2022	24.86	(24.86)

b. Borrowings

Particulars	As at 31 March 2023	As at 31 March 2022
Borrowings at variable interest rate	3,000.00	1,000.00
Borrowings at fixed interest rate	80,453.70	76,255.87
Total borrowings	83,453.70	77,255.87
Percentage of borrowings at variable interest rate	3.59%	1.29%

Price risk

Price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. It arises from financial assets such as investments in equity instruments, bonds, mutual funds etc. The Group is exposed to price risk arising mainly from investments carried at fair value through FVTPL or FVOCI which are valued using quoted prices in active markets (level 1 investments). A sensitivity analysis demonstrating the impact of change in market prices of these instruments from the prices existing as at the reporting date is given below:

Particulars	Carrying value as at	
	31 March 2023	31 March 2022
Investments carried at FVTPL or FVOCI valued using quoted prices in active market	21,557.23	23,654.98

Particulars	Sensitivity analysis on total comprehensive income upon fluctuation of market prices	
	Increase by 10%	Decrease by 10%
Impact on total comprehensive income for year ended 31 March 2023	2,155.72	(2,155.72)
Impact on total comprehensive income for year ended 31 March 2022	2,365.50	(2,365.50)

(c) Liquidity risk:

Liquidity refers to the readiness of the Group to sell and realise its financial assets. Liquidity risk is one of the most critical risk factors for companies which is into the business of investments in shares and securities. It is the risk of not being able to realise the true price of a financial asset, or is not being able to sell the financial asset at all because of non-availability of buyers. Unwillingness to lend or restricted lending by Banks and Financial Institutions may also lead to liquidity concerns for the entities.

The Group maintains a well-diversified portfolio of investments in shares and securities which are saleable at any given point of time. A dedicated team of market experts are monitoring the markets on a continuous basis, which advises the management for timely purchase or sale of securities. The Group is currently having a mix of both short-term and long-term investments. The management ensures to manage its cash flows and asset liability patterns to ensure that the financial obligations are satisfied in timely manner.

The following table shows the remaining contractual maturities of financial liabilities at the reporting date. The amounts reported are on gross and undiscounted basis.

Notes to Consolidated Financial Statements for the year ended 31 March 2023

(All amounts in ₹ lacs, unless otherwise stated)

Particulars	Less than 1 year	Between 1 to 5 years	Over 5 years	Total
As at 31 March 2023				
Borrowings (other than debt securities)	31,870.61	28,754.82	22,828.21	83,453.70
Trade Payables	6,663.17	-	-	6,663.17
Other financial liabilities	8,599.67	-	-	8,599.67
	47,133.45	28,754.82	22,828.27	98,716.52
As at 31 March 2022				
Borrowings (other than debt securities) (Including current maturities)	9,794.79	47,546.80	19,914.28	77,255.87
Trade Payables	2,081.76	-	-	2,081.76
Other financial liabilities	4,204.71	177.97	2.19	4,384.87
	16,081.26	47,724.77	19,916.47	83,722.50

(d) Inflationary risk:

Inflationary or purchasing power risk refers to the variation in investor returns caused by inflation. It is the risk that results in increase of the prices of goods and services which results in decrease of purchasing power of money, and likely negatively impact the value of investments. The two important sources of inflation are rising costs of production and excess demand for goods and services in relation to their supply. Inflation and interest rate risks are closely related as interest rates generally go up with inflation.

The Group closely monitors the inflation data and analyses the reasons for wide fluctuations thereof and its effect on various sectors and businesses. The main objective is to avoid inflationary risk and accordingly invest in securities and debt instruments that provides higher returns as compared to the inflation in long-term.

NOTE - 52 : Capital management

For the purpose of Group's capital management, capital includes issued equity share capital, other equity reserves and borrowed capital less cash and cash equivalents. The primary objective of capital management is to maintain an efficient capital structure to reduce the cost of capital, support corporate expansion strategies and to maximize shareholder's value.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Group monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Group's policy is to keep an optimum gearing ratio. The entity includes within net debt, interest bearing loans and borrowings less cash and cash equivalents.

Following table summarizes the capital structure of the Group.

Particulars	As at 31 March 2023	As at 31 March 2022
Borrowings	83,453.70	77,255.87
Less: Cash and cash equivalents (including other bank balances)	7,061.54	5,492.97
Adjusted net debt	76,392.15	71,762.90
Total equity (*)	1,53,604.44	1,50,204.59
Net debt to equity ratio	0.50	0.48

(*) Equity includes capital and all reserves that are managed as capital.

NOTE - 53 : Segment reporting

Basis of segmentation:

The Group has the following segments, which are its reportable segments. These segments deal in three different industries and are managed separately by the Group.

- (a) **Investments** - Buying and selling of various kinds of securities and providing loans.
- (b) **Textile & Trading** - Trading of cotton bales and other commodities
- (c) **Renewable energy** - Involved in the business of power generation
- (d) **EPC Business** - Involved in the business of EPC Contracts
- (e) **Operations & Maintenance** - Providing Operation and Maintenance service of Power units.

Operating segments disclosures are consistent with the information provided to and reviewed by the Chief Operating Decision Maker. The measurement principles of segments are consistent with those used in the significant accounting policies. Inter-segment transactions are mostly determined on an arm's length basis.

Particulars	Year ended 31 March 2023							Year ended 31 March 2022
